Evers, Fain Join Tribe

Cleveland, Ohio—(U.P.)—Outfielder Hoot Evers and first baseman Ferris Fain, two veterans who have seen better days, joined the Cleveland Indians today in separate deals which General Manager Hank Greenberg "can help us win the pennant."

The Indians, fortifying themselves for the latter half of the pennant race in which they trail the first place New York Yankees by five games, acquired Evers in a waiver deal with last place Baltimore and picked up Fain as a free agent.

In exchange for Evers, the Indians gave Baltimore left-handed pitcher Bill Wight, another fading veteran who has no won and lost record although he has worked in 16 games as a reliever for Cleveland this year.

Evers Went Sour
Evers, should he regain the all-around talent he showed with the Detroit Tigers in 1950, his best year, could be of considerable help to the Indians. Only 34, he has a lifetime batting average of .280 in the majors, but after hitting a peak of .323 with Detroit that year he unaccountably went sour.

Fain, who was dropped by the Detroit Tigers, reportedly because he suffered from both a sore knee and a sore head, was signed as a free agent. He received his unconditional release last week after a series of quarrels involving his successor on the Tigers, first baseman Earl Torgeson, and Tiger Coach Lynn (Schoolboy) Rowe.

Fain re-injured his knee during the past winter in a fall and it hobbled him badly, particularly in the field where he once had shone as a top defensive first sacker.

However, Fain told Greenberg his knee was sound again.

Legion Play-Off Plan Revealed

First interdistrict tangle for the Central Point-Medford American Legion junior baseball team will be on Wednesday, July 20, Manager Alva Perkins reported today. It will be with the winner of the Roseburg versus Coos Bay-North Bend area playoff.

The local Legion nine is playing Ashland in a non-league game this Sunday afternoon at the fairgrounds. Children 12 and under will be admitted free. There will be a nominal admission charge for others.

Perkins reported that Roseburg and the Coos Bay-North Bend champ will have their first play-off mix on Friday, July 15. Second game will be and third if needed on Monday, July 18.

CP-Medford will travel for its July 20 mix. This play-off also will be two-out-of-three with the single or twin bill additional action to be at Medford on either July 21 or 22. Victor in this action will enter state semi-finals against a team from Albany, Salem or Oregon City on July 24.

Norfolk Drops From Piedmont

Norfolk, Va.—(U.P.)—The Class B Piedmont Baseball League suffered a double jolt today when the Norfolk Tars officially went out of business and the Hagerstown Packets indicated they may be forced to follow suit shortly.

Norfolk, which pipe-lined such stars as Phil Rizzuto, Vic Raschi, Bob Porterfield, Bill Skowron and Bill Virdon to the majors among others, dropped out of the league after being one of its strongest institutions for the past 24 years.

Although the Tars won the pennant the past four years, they drew a total of only 16,000 paid fans this year. F. S. Herring, the club's general manager, said the Tars needed over 50,000 admissions to keep financially "above water."

Meanwhile, a Hagerstown club spokesman said the Packets will collapse unless they get \$14,000 shortly.

First Ladies PGA Tourney Begins

Fort Wayne, Ind.—(U.P.)—The \$6,000 first National Ladies Professional Golf association tourney opened today with three-fourths of the nation's low-shooting play-for-pay girls vying in a unique 4-day medal-match championship route.

Twenty-one pros were entered. That, said tourney Chairman Arnold Lee, represents at least 75 per cent of the women professionals who shoot consistently in the 70s.

The linkswomen, ranging in age down to 18-year-old Dianne Garnett of Houston, Tex., will play 54 holes, a medal basis, today, Friday and Saturday.

The two with the fanciest scores will bid for the championship in a 36-hole match Sunday to determine who gets the \$1,200 first prize.

Draft Dodging Aide Believes Conviction Fair

Brattleboro, Vt.—(U.P.)—Mrs. Lucille S. Miller said today her conviction on charges of urging youths to dodge the draft was "fair." She added it was only her first step in proving peacetime conscription unconstitutional.

"I had a fair trial and the verdict was just one step toward reaching an adjustment to remedy a serious condition of justice in this nation," the mother of three said.

Mrs. Miller was convicted by a jury in U.S. District Court yesterday. The jury of seven women and five men deliberated an hour and eight minutes before returning the verdict to Judge Ernest W. Gibson.

Freed on Bail
The chubby, 44-year-old woman was freed on \$1,000 bail pending sentencing Aug. 8. Attorneys indicated they will appeal her conviction to the U.S. Court of Appeals in New York City.

She faces a maximum sentence of five years in prison or \$10,000 fine, or both, on each of 18 counts in two indictments.

Mrs. Miller admitted during the three-day trial that she sent letters to nine young men urging them to dodge the draft and turn over their draft cards to her. She also admitted sending each a copy of an anti-Communist publication, "The Green Mountain Rifleman," in which she expressed her views.

Declared Sane
Mrs. Miller and her husband, Manuel, held off federal marshals at gunpoint last May when the government tried to remove her to a mental hospital. The couple was tear-gassed from their home during the 12-hour siege.

Mrs. Miller was declared sane and released from the hospital to stand trial. Her husband, now free in \$10,000 bail, goes on trial Monday for obstructing justice.

Flash Fire Levels Five Idaho Buildings

Reubens, Ida.—(U.P.)—A flash fire of undetermined origin raced through this tiny Lewis county town late last night and destroyed five of the seven buildings in the business district.

Damage was estimated at more than \$70,000. Buildings lost included the town's general store, a tavern, post office, town hall and Grange hall. All were of frame construction.

A feed store and a service station were separated from the flames by vacant lots and escaped the fire.

Pendleton Mills To Move Shirt Factory

Portland—(U.P.)—Pendleton Woolen Mills announced today it would move its wool shirt factory from Portland to Milwaukie.

Company president C. M. Bishop said a 7½-acre site at the southwest city limits of Milwaukie had been purchased for \$65,000. The pioneer manufacturing concern will erect a one-story, 40,000 square foot factory building at the site.

The company's shirt factory employs about 250 persons. Present site of the plant here will house the firm's headquarters, sales offices and warehousing and shipping departments.

The move was intended to allow additional company growth.

Death of Ex-Idaho Star Listed as Accidental

Moscow, Idaho—(U.P.)—John Oswald Thompson, former University of Idaho athletic star, was found dead at his home here yesterday with a bullet through his forehead.

Latah County Coroner H. R. Short said the 36-year-old man was shot by a bullet from a .22 rifle. Short held that death was accidental.

PIRATES INK STUBING
Pittsburgh—(U.P.)—Larry Stubing, 17-year-old Bronx, N.Y., first baseman, was signed by the Pittsburgh Pirates today and assigned to their Brunswick, Ga., farm club in the Class D Georgia-Florida league.

NET SEMI-FINALS
Philadelphia—(U.P.)—Belmar Gunderson of Edgewood, Md., will meet Mrs. Carter Simonin of Philadelphia while Mrs. Connie Ball of Ormond Beach, Fla., opposes Mrs. Francis Vosters of Merion, Pa., Friday in the semi-finals of the Middle States Women's Grass Court tennis championship.

REDSKINS SHED POUNDS
Los Angeles—(U.P.)—Fifty-three members of the Washington Redskins National Football league team opened training at Occidental College Wednesday and lost a total of 212 pounds at the conclusion of their first mid-summer workout.

Dead line Sunday Classified is at noon Saturday; 10 a.m. Monday for Monday; other days 5:30 previous day.
