

New Heat Wave Seen for East

By UNITED PRESS
A warming trend moved in on the eastern half of the nation today and the weatherman warned that it might mean a heat wave similar to the one that scorched the east for 10 days until last Sunday.

Temperature were generally five to 10 degrees higher and going up. Hot, but drier, weather was also the outlook for the west.

Meanwhile, showers and thunder storms brought some relief in the south, southwest and Mississippi valley. The heaviest rainfall during the night was 1.57 inches at Guyman, Okla.

At Rocky Mount, N.C., the rain got out of hand yesterday and averaged four inches in the Tar river watershed.

The rain swollen river was expected to crest at 2½ feet above the flood stage today and five feet above at Tarboro, N.C. Yesterday the river flooded low crop lands.

Overseas, the death toll in Europe's heat wave has climbed to nearly 200. Fierce storms accompanied the climb in temperatures, and damaged rich grape crops in France and Italy.

Klamath Republicans Select New Chairman

Klamath Falls — (U.P.) — The Klamath county Republican central committee has named attorney George H. Proctor as chairman succeeding Elmer Lemler, Merrill, Ore., who has resigned.

Lemler will fill the post of congressional district nominating committeeman, the position formerly held by Proctor. The Republicans also named three new members at large: Tom McClure and Loren Binney of Klamath Falls and Elizabeth Hyde of Bly.

There are 10,000 WACs in service today — and it costs \$3,000,000 less a year to feed, house and water them than 10,000 GIs.

Clarence Humble May Become Klamath DA

Klamath Falls — (U.P.) — Clarence Humble, former assistant Klamath County District Attorney, today appeared a likely candidate to succeed Frank Alderson as the county's district attorney.

Humble yesterday was recommended by the county bar association to replace Alderson, who is scheduled to become chief deputy prosecutor in Lane county July 25.

The county court has approved the recommendation, and only Gov. Paul Patterson's approval was necessary before it would go into effect.

The association also announced that the district attorney's salary would be increased from \$4500 to \$7500 a year. Alderson, a crusading prosecutor, had said the low salary was one of the reasons for his resignation.

The average size of farms in Kentucky increased from 74.4 acres in 1935 to 89 acres in 1950. The total number of farms decreased from 278,298 to 218,476.

Hood River Death Kicking Admitted

The Dalles — (U.P.) — One of five transients under investigation in the mysterious death of Robert Easley, 48, yesterday signed a statement admitting he kicked Easley in the side for calling him a vile name.

Boss Matchen confessed the kicking after 2½ days of questioning by Hood River sheriff's officer and state police.

Easley died in a local hospital Sunday from the effects of broken ribs and a punctured lung, according to Sheriff Rupert Gillmouthe. Saturday night he appealed for help at the Hood River railroad station, telling police he had been kicked in the side by a friend during a fight in a box car.

Police took him to a Hood River hospital where attendants said his condition did not appear serious. He was not admitted for treatment.

Later he was found by a passing motorist walking on Highway 30 east of Hood River. He was taken to the hospital at The Dalles where he died Sunday.

Hood River County District Attorney Kenneth Abraham said the grand jury will meet Monday morning to study evidence in the case gathered by the sheriff's office.

MOWER MOWED

Gorham, Me. — (U.P.) — The temperature was near zero and the ground was covered with several inches of snow when Harry A. Hoyt Jr., 31, gashed three toes with a power lawnmower. No, he wasn't trying to cut the grass. He had taken the mower outside to adjust it.

Jiffy-Knitting!

7121

by Alice Brooks

Enjoy watching TV while you jiffy-knit this flattering jacket—it's s-o-o simple! Stockinette stitch; dainty crochet for trim. Pattern 7121: TV knitting! Jacket in Misses' sizes 32-34; 36-38. Jiffy-knit; use knitting worsted, large needles — inches fly by!
