

Conservation Talk at Banquet Of Waltonian Director's Session At Jackson Hotel This Saturday

Lewis L. Simpson, forester for the Southern Oregon Conservation and Tree Farm association, will give a general talk on forest conservation Saturday night at a banquet following a day-long session of Izaak Walton league state directors at the Jackson hotel here.

Simpson is expected to outline what a local conservation organization can do along with what SOCTFA has done in this section of the state.

Directors of Oregon division of the IWLVA have scheduled their quarterly conference for Saturday and will participate in an Outdoorsmen's breakfast at TouVelle park on Rogue river on Sunday. Some 30 to 40 Waltonians are expected from out of town. They will represent 30 clubs from throughout the state.

Following a meeting of the division executives at 8:30 a.m. a general business meeting will open. It is scheduled for 9:30 and various discussions are slated until noon.

Committee Report

President Dan P. Allen of the division will present a report at the noon luncheon. At 1 p.m. reports will be heard from six Oregon committee chairmen and directors will report on chapter activities beginning at 1:30 p.m. Afternoon adjournment is planned for 5:30 p.m.

Division committee reports will be George Christenson, Silverton, soils; Lyle Watts, Portland, woods; Wade Hall, Walla Walla county, waters; William Niskanen, Bend, wildlife; George

Middlecoff Has Lead in Miller Open

Milwaukee, Wis.—(U.P.)—Cary Middlecoff said today 270 or more should win despite his record-tying first round 64, but 39 par-breaking golfers did not lend weight to the statement in the \$35,000 Miller Open.

Middlecoff, the former Memphis Tenn. dentist playing out of Kimesha Lake, N.Y., led the field of 133 pros and amateurs in blistering rounds in which 51 golfers had par or better.

But National Open champion Jack Fleck, in his first tournament since winning the open three weeks ago, was not among the fortunate. He shot a disastrous 38 on the front nine and came home with a respectable 34 for a 72, far down in the field.

Eagle, Three Birds

Middlecoff, former National Open and Masters champion, came home with an eagle and three birdies in the last five holes Thursday to tie the 4-year-old Blue Mound course record set by club member amateur Tommy Veech, who shot a 69 in the first round.

Little known Fred Hawkins took the early lead and remained one stroke behind Middlecoff at 65, which also included an eagle on the easy pickings 14, 470 yards from the short tee.

Hawkins, 31, lives at El Paso, Tex., and plays out of St. Andrews, Ill., put on 14 after getting on with a drive and four woods. He also canned a 35-foot putt on 11.

Five golfers were bunched at 66 after the first round. They were Mike Souchak of Grossinger, N.Y., Ted Kroll of Utica, N.Y., Bo Winner of Oklahoma City, Okla., Jimmy Clark of Laguna Beach, Calif., and Paul McGuire of Wichita, Kans.

Campy Returns; Snider Has Fever

Brooklyn—(U.P.)—Catcher Roy Campanella returned today to the Brooklyn Dodgers' lineup apparently as good as ever but the National League leaders lost the services of three other players, including slugger Duke Snider.

Campanella, who had missed 15 games because a chipped bone in his left knee, came through with two hits in the Dodgers' 6-1 loss to the St. Louis Cardinals Thursday night and reported no ill effects from catching the full nine innings.

Center-fielder Snider, however, was bedded with a 104-degree temperature resulting from a virus infection and was expected to be out of the lineup several days. He was hitting .319, had belted 28 homers and led the major leagues in runs-batted-in with 89.

In addition, Manager Walt Alston revealed that Carl Erskine, the pitching staff's nominal leader despite Don Newcombe's superior record, would be given a "complete rest cure of 19 days" and that southpaw Johnny Podres, who had a 7-6 mark, will also be rested indefinitely.

The firefly isn't a fly at all, but a beetle. It has two pairs of wings, the forward pair stiff and useless in flight. The flashing light from its tail is a luminous love call with which it finds its mate.

Africa has about one-fifth of the world's land surface.

Titleholder Solid Pick In Publinks

Indianapolis, Ind.—(U.P.)—Defending Champion Gene Andrews was a solid favorite today in the 36-hole semi-finals of the National Public Links Tournament.

The 42-year-old Pacific Palisades, Calif., insurance agent teed off against Sam Kocsis, a 35-year-old Detroit industrial efficiency expert.

The other match pitted Lewis Bean, 30-year-old Summerville, Ga., auto salesman, against

2431 East Main st., will be scene of a 6 p.m. hospitality hour. Those attending are asked to wear loud and bright sports clothing. Prizes will go to the man and woman with the best outfits.

The dinner will be at 7:30 p.m. Convention sessions will be in the Pioneer room of the hotel.

The Sunday breakfast is set for 8:30 a.m. There will be fly and spin fishing, boating and other recreation.

Ralph Allen, 40, a plasterer from Miami Springs, Fla. Andrews, who seemingly gets stronger as the tourney drags on, is only two over par for 87 holes of match play.

Two Foes Beaten Yesterday, he dusted off Walter Robyn, Maplewood, Mo., 7 and 6, then took the measure of Jack Gregory, 4 and 3, in the quarter-finals.

Bean fired even par for 17 holes to oust William Scarborough Jr., Jacksonville, Fla., 2 and 1, while Allen staved off a late rally by Hans Turner, Seattle, Wash., to advance also by a 3 and 1 margin.

SPORTS

SCRUGGS WINS TWO Alavusy, Finland—(U.P.)—Grant Scruggs of the United States won the 100-meter dash in 10.8 seconds and the 400-meter run in 48.8 seconds Thursday in an international track meet. Another American victory was posted by John Loule, who won the 800-meter run in 1:50.1.

None of the three other hopefuls gained the semi-finals last year.

Kocsis, who won the Western Junior title in 1939 and whose brother, Chuck, is a former Walker Cup player, won his way into the next-to-last round with a 3 and 1 triumph over Frank Gacek, Parma, Ohio.

Bean fired even par for 17 holes to oust William Scarborough Jr., Jacksonville, Fla., 2 and 1, while Allen staved off a late rally by Hans Turner, Seattle, Wash., to advance also by a 3 and 1 margin.

COURTNEY VICTOR

Imatra, Finland—(U.P.)—Tom Courtney of Fordham won the 800-meter run in an international track meet Thursday with a 1:50.7 clocking. Dick Blair won the 200-meter dash in 21.2 and Bob Backus the hammer throw with a toss of 183 feet, 8 1/4 inches to give the United States two other titles.

Breit, Fageros In Feature Tiff

Atlanta—(U.P.)—Top-seeded Barbara Breit, at 17 a rapidly-rising star in the feminine tennis ranks, clashed with blonde Karol Fageros today in the feature quarter-final match in women's singles in the National Clay Courts tennis championships.

Ladies' play held the center of the stage with the men idle until Saturday's semi-finals. Other quarter-final matches set second-seeded Dorothy Head Knobe of Alameda, Calif., against Pat Shaffer of St. Petersburg, Fla., third-seeded Jean Clark of Birmingham, Ala., against Mimi Arnold of Redwood City, Calif., and fourth-seeded Janet Hopps of St. Louis, Mo., against Yola Ramirez of Mexico, the top-seeded foreign entry.

Dead line Sunday Classified is at noon Saturday, 10 a.m. Monday for Monday; other days 5:30 previous day.

FUN

in the large economy size!

Surprising, how little it takes to put this big dreamboat in your driveway for keeps. And your dollars couldn't begin to buy more pure pleasure anywhere else. Here's beauty that's putting the high-priced cars in the shade. Here's action that'll have you driving the long way home just for the fun of it. You owe yourself this new Chevrolet. Come in and see how easily you can swing it!

COURTESY CHEVROLET

YOU CAN PAY A LOT MORE MONEY AND STILL NOT GET ALL THESE CHEVROLET ADVANTAGES!

Body by Fisher

The fine craftsmanship of Body by Fisher is found in many of America's costliest and most luxurious cars. And only in Chevrolet in the low-price field!

12-Volt Electrical System

Delivers twice the punch of electrical systems in other low-priced cars! This means quicker starting in all weather, better ignition for finer performance, and a greater reserve of electrical power.

Ball-Race Steering

Special ball bearings in the steering gear roll with the turn of the wheel to reduce friction. Nothing makes steering easier except Power Steering itself.

High-Level Ventilation

Takes in air at hood-high level, away from road heat, fumes and dust. A special chamber prevents rain from entering the car, and supplies a more even flow of air.

Outrigger Rear Springs

They're spaced wide apart, like outriggers on a canoe, to give you sure-footed stability on curves. The new Chevrolet corners like a sports car!

Anti-Dive Braking

Chevrolet's the only car in the industry that stops with its head up! An exclusive Chevrolet development greatly reduces the tendency to nose down under sudden stops.

Combine your new Chevrolet purchase with your vacation plans! Order a new Chevrolet through us, then pick it up at the plant in Flint, Michigan, see Chevrolets built, if you like, and drive yours home. Chances are, you'll save a substantial share of your vacation travel costs!
