

NEW FIGHT TO LIVE—Courageous Suzan Ball, who lost a leg to cancer over a year ago, reported near death from lung cancer in a Hollywood sanitarium. The beautiful actress' weight has dropped below 100 pounds and she is frequently in an oxygen tent.

Suzan Ball Holding Own in Sanitarium

Hollywood —(U.P.)—Plucky actress Suzan Ball, feared near death at the City of Hope Sanitarium in her second battle against dreaded cancer, was reported "resting comfortably" today but still in critical condition. There were unconfirmed reports the pretty 22-year-old star was suffering from cancer of the lungs.

A sanitarium spokesman said doctors "have not yet completed their evaluation of her condition. It is anticipated that current diagnostic studies will be completed early next week."

The spokesman added that no sudden turn in Miss Ball's status was expected "at this time."

The actress, who lost a leg in the opening round of her fight with cancer a year and a half ago, was admitted to the sanitarium July 5, when the disease reappeared in an area of her body not yet disclosed by doctors.

"She doesn't know how sick she is and we are trying to keep her away from her radio and television sets so she won't hear the news," a nurse said.

Bids totaling \$349,317.95 were submitted yesterday for two tracts of timber containing an estimated 9,976,000 board feet of douglas fir and other species offered for sale by the Medford district of the bureau of land management.

The bids averaged 86 per cent over the appraised prices set by the bureau. Both tracts were sold in oral auction sales.

Eight bidders competed for the first tract of 4,471,000 board feet located in the Pleasant creek area. Oregon Veneer company of Medford was successful with a bid of \$37.50 for douglas fir and appraised prices for other species. The appraised price for the douglas fir on this tract was \$18.90.

The Robert Dollar company of California submitted the highest bid for the second tract of 5,505,000 board feet located at the head of Grave creek. The competition offered by four other bidders resulted in a bid of \$37 per thousand for douglas fir compared with an appraised price of \$17.75.

August Sale
The next regular timber sale is planned by the bureau for Aug. 11, at which time 365,000 board feet of timber located near Cave Junction will be offered for sale, according to Eugene Peterson, district forester.

Peterson also indicated that suggestions of tracts to be considered for sale in 1958 should be submitted to his office in the Medford city hall as soon as possible. The deadline for submitting such suggestions Aug. 15.

Information regarding both the August timber sale and the submission of suggestions may be secured from his office.

Shriners Conclude Chicago Convention

Chicago —(U.P.)—Ninety thousand Shriners wound up their 81st annual convention today following a whopping six-hour parade finale down Michigan ave.

More than a million persons watched as the Shriners put on a colorful climax to their five-day spree here last night.

Walter C. Guy, 64, Little Rock, Ark., yesterday was elected Imperial Potentate of the Shriners.

Guy, head of a printing concern, succeeded Frank S. Land, Kansas City, Mo. Barney W. Collins, Mexico City, was elected Imperial Captain of the Outer Guard of the National Shrine. Under the Shrine system of progression, he will become Imperial Potentate in 1958.

FIREMEN RESCUE BOY
Los Angeles —(U.P.)— Mrs. Elise Kernan had to call a fire rescue unit to her home Thursday to help free her 2-year-old son from an unusual predicament. The boy, Robert Kernan Jr., experimentally stuck his foot in the bathroom toilet and then pulled the handle, firemen said.

The eye fluid which makes tears has a germ killing function.
