

Tony Trabert Clay Court Net Winner

Haverford, Pa.—(U.P.)—Tony Trabert, who only Sunday gained his third straight major title in the National Clay Courts championship to boost his campaign for world tennis leadership, was top-seeded in the 56th annual Pennsylvania State Lawn Tennis championships starting today.

The 24-year-old ace from Cincinnati again displayed his best form as he whipped defending champion Bernard (Tut) Bartzten in straight sets, 10-8, 6-1, 6-4 in the Clay Courts final at Atlanta.

Thus terrific Tony added that national crown to the French National championship and the Wimbledon championship that he won on his recent European tour.

Blonde Louise Brough of Beverly Hills, Calif., recent winner of the women's Wimbledon championship, was seeded first here in women's singles.

Second-seeded Mrs. Dorothy Head Knobe, of Alameda, Calif., won the women's Clay Courts championship by upsetting top-seeded Barbara Breit of North Hollywood, Calif., 6-4, 6-3.

In other Clay Courts finals, Trabert and Ham Richardson of Baton Rouge, La., won the men's doubles by beating Barton and Eddie Moylan of Trenton, N.J., 6-1, 6-2; Sam Giammala of Houston, Tex., and Yola Ramirez of Mexico City won the women's doubles by beating Jerry Moss of Modesto, Calif., and Janet Hopps of Seattle, 6-3, 3-6, 6-3; and Bryan (Betsy) Grant of Atlanta won the seniors title by beating Jack Staton of St. Petersburg, Fla., 6-0, 6-4.

With the congress still in its preliminary phase, today's general program focused on the conference of the international Catholic organizations, a lay group meeting concurrently with the congress.

Congress activities began with a colorful three-hour procession Sunday. The solemn opening, however, was not scheduled until Tuesday night when visiting cardinals take their throne on the huge congress altar.

Fred Arnberg Nabs Hardtop Main; Pollard Sets Mark

Spectacular thrills were missing but there was a wealth of hard, furious driving as Fred Arnberg won the main, Joe Ellison copped his first trophy dash in two years of racing and Art Pollard shattered the track record Saturday night in hard-top auto races at the Jackson county speedway.

Arnberg took the lead early in the main and the rest of the race was pretty much like a wind-up toy although there was

some lapping and a few cars strewn around the track during the race. Roy Deutschman's car was blazing underneath at the end of the romp. It was Arnberg's first main victory in several year's racing here.

The track, soaked by the water wagon before the fourth heat, was a bit precarious for a couple of races even though cars worked the H2-O into the dirt. But by the main the drivers had a good oval to battle on.

Del Graves was second in the main event, Bob Jenkins third and Jack McCoy, newly returned to the oval, fourth. McCoy took over M39 in place of Bob Christie who could not be on hand.

Pollard circled the track in time trials in 19.70 seconds, shattering the record of 19.80 set last week by Johnny Boom-er.

Fletcher Takes Pistol Diadem

Portland—(U.P.)—W. E. Fletcher, Bremerton, scored 2565 points out of a possible 2700 here yesterday to win the Pacific Northwest Pistol championship and the right to represent the region in the national pistol meet at Camp Perry, O., Aug. 29.

Donald Thorne, also Bremerton, finished second in the matches which were sponsored by the National Rifle association. Defending champion Gertrude Backstrom, Hoquiam, placed third.

Portland revolver club number one took the team championship in the .45-caliber class.

The expert class was led by Kenneth Wyatt, Lewiston, Ida. Best sharpshooter was Charles Keeler, Opportunity, Wash., and James Eokorny, Grants Pass, Ore., took marksman honors.

Cary Middlecoff Gains Golf Toga

Milwaukee, Wis.—(U.P.)—Middlecoff said today he "wasn't looking forward to" the PGA Golf Tournament despite the "best 72 holes I ever played" in winning the \$35,000 Miller open.

Middlecoff came home 15 under par in 265 with a bevy of birdies Sunday to overcome a double bogie and win first prize of \$8,000 and a new automobile.

Camp White Loses Fray To Glendale

Two runs in the 11th inning yesterday spoiled Camp White's hopes of a second Rogue Valley baseball league victory over loop leading Glendale.

A hit, walk and error in the second extra panel gave Glendale an 8 to 6 verdict.

Camp White led 6 to 5 going into the ninth but a couple of errors enabled Glendale to knot the fray and send it into overtime. Duane Miller, Glendale chucker got stronger as the tussle progressed and held Camp White hitless in the last five innings. Before that he yielded a home run to Don Mintz.

Bob Baker Picked Over Rex Layne

West Jordan, Utah—(U.P.)—Bob Baker of Pittsburgh was a 7 to 5 favorite to defeat Utah's Rex Layne tonight in their 10-round heavyweight fight.

Both are expected to weigh in at about 205 pounds.

Baker, the second ranking heavyweight challenger behind Archie Moore, was shooting for a repeat of his victory over the Utah boxer at Brooklyn's Eastern Parkway arena.

Layne's best chance appeared to rest on Baker suffering a recurrence of old hand injuries.

New York—(U.P.)—Welterweight Pat Lowry of Detroit is favored at 9-5 to beat Sugar Al Wilson of Englewood, N.J., tonight in their TV 10-rounder at St. Nicholas arena.

Northville, Mich.—(U.P.)—Golf's top play for pay boys started a mass migration to the Meadowbrook Country club today, determined to crack Michigan's two-year stranglehold on the PGA champions.

The 37th annual PGA gets underway on Wednesday with Chick Harbert and Walter Burkemo, a couple of local pros, marked men.

Harbert and Burkemo are but two of the 142 who will tee off in the gruelling seven-day event.

Government Report Demands Expensive

Washington—(U.P.)—A Hoover commission task force said today the country could save millions of dollars and a vast amount of wear and tear and time if Uncle Sam would stop asking businessmen and farmers so many questions.

As of now the government makes 4700 reporting demands of industry. Cut out or simplify just 25 of them, the task force told Congress, and savings would amount to \$100,000,000 a year for industry and government.

Mountains of information demanded by the government never is used for anything, the task force reported, and some of the questions—such as how many chickens will you sell next year?—just can't be answered.

Nearly 1,000,000 reports are sent to the government every year reporting, the task force said, that the reporter had nothing to report.

Besides saving everybody's money, the report added, a drastic slash in the "wilderness of reports, forms, and questionings" would be a welcome relief to the persons who have to cope with them.

Kansas City, Mo.—(U.P.)—Right-hander Marion Fricano was recalled by the Kansas City Athletics today from Indianapolis of the American Association where he compiled a 3-3 record since being farmed out by the A's in May.

Portland—(U.P.)—Matchmaker Tex Salkeld said today that tonight's scheduled heavyweight fight here between Johnny Arthur and Bob Dunlap had been postponed indefinitely because of the death of Dunlap's father in Oklahoma City.

CP-Med Legion Slaps Ashland Fifth Time

First foe of Central Point-Medford in interdistrict play-offs in American Legion junior baseball was still in doubt today.

The locals will meet the victor of the Roseburg-North Bend best two of three series. Roseburg took the first mix in that played-off 4 to 1 over the week end. The two clubs play twice at Roseburg today.

Should Roseburg take the NB series, it will come here for a Wednesday game and the CP-Meds will travel to Roseburg Thursday for two or three games. If North Bend wins the two today, Central Point-Medford will go to the coast town for two or three scuffles Wednesday and Thursday.

Victor in the play-off involving the locals likely will play Albany in state semi-finals.

Central Point-Medford surged for four runs, including Paul Eckel's tremendous homer, in a big fifth inning to defeat Ashland 6 to 3 in a non-district American Legion junior baseball hassle at the fairgrounds yesterday.

The CP-Meds overcame a 1 to 3 deficit with the splurge and turned back the Ashlanders for the fifth time this season.

All of the runs in the big inning effort were unearned, however, and came with two men out. Larry Perkins drew a base on balls off hurler Dale Walter. He stole second and went to third on a wild pitch. In the meantime, Gordon Owsley had fled out.

Then Ed Reinking fled to left field. Little Fred Helm made the catch and threw to Shortstop Jim McAbee, whose relay home was in time but Catcher Phil Sword dropped the ball when Perkins slammed into him. The Medford runner was safe on the error. That launched the run parade.

Next came Paul Eckel's round-tripper, a towering blast over the left field fence and one of the most tremendous hits which has been seen at the fairgrounds.

Dick McLaughlin was hit by a pitch and scored on a two-bagger by Eldon Francis. Laval Meunier then singled Francis home.

Eckel also swatted a triple in the first of three official batting turns. It drove in Reinking who got on base on an error in the

third canto. Back-to-back doubles by Duane Sides and Perkins in the sixth inning brought in the final CP-Med tally.

Ashland got its first run in the second inning as Ray Weinhold singled and Pete Cotton sacrificed. Second Baseman Perkins made the putout and threw to second but there was no one on hand to take the toss. Weinhold scored on the error.

The Lithians reached Pitcher Henry Putney for three extra base hits in the third inning for two runs. Mark Fitch and Ron Weinhold tripled and Jim McAbee doubled. Ashland made only one other serious threat in the contest. That was in the fifth inning when Gordy Thoreson singled, stole second and went to third on an error. However, Sides, CP-Med's second pitcher of the day, fanned the next two batters and the next fled out.

Putney, Sides and Fred Herrmann each pitched three innings for the home club. Putney gave up four hits, fanned three and walked two. Sides was reached for only one hit, whiffed three and walked two. Herrmann yielded a lone hit, struck out four and walked none.

Perkins for CP-Med, and McAbee each hit two for four. Reinking made a sensational catch for a putout in centerfield. Gordy Thoreson's fly looked as if it would drop in for a hit but Reinking made a diving, tumbling snag at shoestring level.
