Leather Measurer Job Brockton, Mass.-(U.P.)-A lot of Brockton residents were surprised when the mayor announced the appointment of a "measurer of leather."

The mayor explained that he was acting under chapter 95 of the Massachusetts laws, providing that the mayor, on request, "shall annually appoint one or more measurers of leather who have been certified by the director of standards. . . .

The duty of the leather measurer, it seems, is to measure leather purchased by local shoe factories.
