

Record Highs Scorch Midwest

By UNITED PRESS

The hottest weather of the year baked the nation's midsection today with a 100-degree mid-summer heat wave.

Heat records tumbled throughout the Midwest and steaming humidity added to the misery in the early morning hours.

No immediate relief was in sight for many areas, although a cool front was expected to crack the heat wave in sizzling Chicago by tonight. Scorchers were feared elsewhere until this weekend.

Record breaking highs yesterday included 99.3 at Chicago and 101 at Milwaukee, both new tops for the date. It was an even 102 at Sioux City, Sac City and Oskaola in Iowa, and at Beloit, Wis., and 103 at Blythe and Daggett, Calif. The hottest temperatures were registered at Wamego, Kan., and Lincoln, Neb., where the mercury went to 105.

At Cedar Rapids, Ia., 81-year-old Knute Longfield collapsed from the heat and hospital attendants discovered the oldest was excessively protected against the weather.

They peeled off a pair of long woolen underwear, a wool vest, a wool sweater, and a pair of heavy pants.

Longfield explained that he suffered from rheumatism.

Farmer Confuses Tax Men With Nude Photo

Wichita, Kan. — (U.P.) — A Kansas farmer stirred up an argument among Internal Revenue Service agents when he sent in his income tax return.

Attached to the properly filled form was another paper listing depreciation of farm equipment. This, too, seemed to be in order, but the information was written on the back of a picture of a nude woman such as is used on

The trench has been transformed into the underpinning of

Local Barbers Hear Union Officials Talk

Three officials of the barbers union, two of them state officers, spoke at a breakfast meeting today of the Jackson county barbers' local held in the Jackson hotel.

Representing the state association were Ed Classen, Astoria, president, and Charles T. Crane, Portland, secretary. George Linehan spoke representing the Portland association of which he is president.

The two speakers brought out two points regarding the barbering profession, one, that barber schools are not training the barber students properly in their trade, the other, that they are not instilling the art of handling public relations with their customers. It also was pointed out that there is a shortage of barbers throughout the state and that about three-fourths of the men who have taken up barbering since World War II have dropped out because they lack the proper training to compete with others in the profession.

calendars.

"We can't figure out," said one agent, "whether the farmer thought we would be so busy looking at the girl that we wouldn't check his return thoroughly or whether he was trying in a subtle way to show us his tax payment had stripped him."

The victory gave Medford a 5-win 1-loss record. Ashland finished with a 4-2 standing in second place with a 5 to 4 nod over Central Point.

Win A Must

Win was a must for the Medford Cubs this afternoon if they were to gain even a tie for a championship. Grants Pass went into the fray unbeaten while Medford has a previous setback. The Grants Pass nine has a make-up with Ashland on Friday.

Medford Tigers have already been crowned Pee Wee southern division champions. They play the Grants Pass champions next Tuesday for the overall mantle and likely will add two or three of the better players

Trabert Opens Bid at Meadows

Southampton, N. Y. — (U.P.) — Wimbledon champion Tony Trabert, anxious to atone for a surprise defeat here last year, opened his bid for the Meadow Club Invitation tennis tournament title today with a second-round match against Dr. Jack Geller of Purchase, N. Y.

The Cincinnati, Ohio, star was the only player in the field to draw a bye in Tuesday's first round and was expected to sweep through Geller, a former Princeton player, with ease.

But last year Trabert was similarly favored and was upset in the semi-final round by Eddie Moylan of Trenton, N. J., who went on to win the championship. Moylan, only second-seeded in defense of his crown, opened successfully with 6-1, 6-2 victory Tuesday over Van Rensselaer of Greenwich, Conn.

Speiser Makes Television Debut

Chicago — (U.P.) — Chuck Speiser, a former college boxer whose pro career was interrupted by two years of military service, gets his first television appearance tonight, and the 25-year-old battler was determined he wouldn't lose to well-rated Willie Pastrano.

The scrappers tangle in the Chicago Stadium ring for a 10-round encounter and Pastrano, appearing in the feature bout for the third time, was a 9 to 5 favorite.

Pastrano, 19-years-old, has won 31 bouts, lost 4 and drawn 4 with 8 knockouts. He expected to weigh in about 176 pounds for the match while Speiser anticipated going in at 170.

STAFF FULL STRENGTH

South Bend, Ind. — (U.P.) — The Notre Dame football coaching staff was returned to full strength today when Bernie Witucki was named as an assistant to head Coach Terry Brennan. Witucki will replace Bill Earley, who resigned recently to join the coaching staff of the Toronto Argonauts.

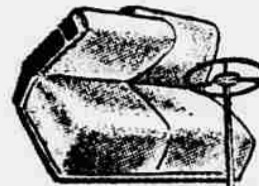

Hiram, O. — (U.P.) — The Cleveland Browns today asked waivers for center Pat Canamela and end Jim Greer. Halfback Aramis Dandoy injured his knee during Tuesday's drill and joined end Carlton Massey on the sidelines. Massey has a slightly pulled leg muscle.
