Dolores Del Rio Back in Hollywood

Hollywood — (U.P.) — Mexican actress Dolores Del Rio, who has returned to Hollywood after a 12-year absence, blamed some parts of the Mexican press today for reports she had Communist leaning.

The 47-year-old beauty, once one of Hollywood's top stars, arrived by airliner from Mexico City for a week's visit Wednesday and promptly declared she is not now and never has been a Communist.

"I am a Catholic," she said, "and I regard this country as I do my own. I am terribly excited and happy to be back." She said reports she had Communist leanings arose nine months ago when she applied to the U. S. Department of State for a visa to come to Hollywood to appear in a film. Because the visa was slow in being granted, she said some parts of the Mexican press "jumped to conclusions."

Miss Del Rio said the visa never was denied and the U.S. embassy in Mexico City told her three months ago he could pick up her visa whenever she desired.

She came here to act as maid of honor at Wednesday night's wedding of her friend, wealthy hotelman Hernando Courtwright, and Marcelle Eva Cuillery, prominent Mexico City socialite.

Miss Del Rio, still regarded as Mexico City's top star, said she had made numerous pictures in her native country, Spain and Argentina in the past 12 years.

Dead line for Sunday Classified is at noon Saturday.

Freightways Hearing Moved To Next Week

Portland — (U.P.) — A scheduled hearing on an order for Consolidated Freightways, Inc., to show cause why it should not deliver groceries to struck Safeway Stores along the southern Oregon coast yesterday was postponed until next Wednesday.

U.S. District Judge William G. East said he made the postponement in order to allow the AFL teamsters union a chance to intervene as a defendant along with Consolidated.

Teamsters attorney Wes Franklin said that requiring teamsters to cross picket lines at Coos Bay, Coquille, North Bend and Myrtle Point might violate a provision in the union contract with Consolidated which protects them in such labor disputes.

The four Safeway stores were struck recently by the Coos Bay local of the AFL meatcutters union.

CIVIL ENGINEER DIES

Delay in Choosing Recreation Site Hit

Portland — (U.P.) — City Commissioner William A. Bows today criticized the delay in choosing a site for the proposed \$8,000,000 exposition-recreation center here.

Bows, who returned from an unsuccessful attempt to attract the Junior Chamber of Commerce's 1957 national convention to Portland, said the time had come to "get down to the cold facts" about the need for the structure in downtown Portland.

The reason he was unable to attract the Jaycee convention, he said, was because of the lack of such a structure close to the downtown area. The 1957 convention will be held in Milwaukee, Wis.
