Mrs. Neuberger Sees 'Family Allowances'

Milwaukee, Wis.—(U.P.)—Maurine Neuberger, wife of Oregon's Democratic Sen. Richard Neuberger, last night told the Eagles Auxiliary that "family allowances" must be the next major social security advance.

Mrs. Neuberger said the family allowances would be "to increase the standard of living of America's children."

She challenged the idea that payments each month to all children of less than 16 years might be "creeping socialism." She said a similar program in Canada has the wholehearted support of all three major Canadian political parties.

Many Watch Rehearsals In Ashland

Ashland—Nearly half of the seats in the Shakespeare festival theater have been filled for the past two nights as local audiences watched dress rehearsals of "A Midsummer Night's Dream" and "Macbeth."

Producing Director Angus Bowmer said that he hoped audiences after August 1 would be "as wonderful and enthusiastic" as these have been.

The season opens Monday with "A Midsummer Night's Dream." The opening play will be preceded by an informal buffet dinner at Tally-Ho, at which the festival association and the city of Ashland will entertain city and state officials and newspaper and radio people.

William Patton, festival general manager, reports that although seats for some performances are almost sold out, good seats are left for nearly every evening.

Membership sales for the 1955 season close Sunday, July 31. Memberships sell for \$15 and entitle the holder to eight reserved seats, which may be used in any combination. The Shakespeare theater box office is open from 9 a.m. to 9:30 p.m. today and Saturday, and from 1 to 4:30 p.m. on Sunday.

The branch box office in the lobby of the First National Bank in Medford is open from 10 a.m. to 4 p.m. daily except Sunday. All orders for memberships postmarked before midnight July 31 will be filled, but according to Patton, none can be taken after then.

Edgar Hoover who wrote in a recent survey "The answer (to the cause of juvenile delinquency) lies for the most part in the homes of the nation." Mrs. Minshall was assisted by her daughter, Marcia, who told the group of helps she found in the teen-age magazine "Power" and of the inspirational experiences she had at summer camp.
