 which is often the real cause of making you
 miserable. Start your lazy organs working
 normally again.

QUICK RELIEF

Doctors will tell you that the most impor-
 tant organ in your body is the intestine.
 When your organs are free of waste and
 impurities you may feel young again, your
 eyes may sparkle and your ambition to
 work and play will return. Sleepless nights
 might vanish.

INERGEL is a tiny, tasteless tablet in-
 tended to restore normal habits without
 irritation or distress. INERGEL is so safe
 you need no prescription to buy it. It is the
 new drugless way to break the vicious lax-
 ative habit. It restrains those tired, weak-
 ened, over-worked irritable muscles. When
 you are tired, nervous, irritable, look and
 feel old before your time, have no appetite,
 you are probably suffering from constipation.

GUARANTEED

Get a bottle of INERGEL tablets at your
 drug store today. If after one week you are
 not satisfied by results, we will refund your

 fied, you will tell your friends about
