

Wild Flowers At Crater Lake Tour Subject

Siskiyou district, Oregon Federation of Garden clubs, will be host group for the 1955 wild flower pilgrimage at Crater Lake National park, Sunday, August 14. Harry C. Parker, naturalist at Crater lake, will be the leader and lecturer for this annual pilgrimage. The flowers there are at their perfection now, according to the naturalist.

All federated club members and families and the public in general are invited. Those planning to attend are to take their own picnic lunch and to meet at the picnic ground at the Rim Village at Crater lake where all lunches will be combined to form one large "get acquainted" picnic.

Coffee will be furnished by the Siskiyou District. Markers will be posted to direct the way to the picnic grounds.

This year Umpqua district is joining with the three districts of southern Oregon, Siskiyou, Cascade and Klamath. The conducted tour through the wild flower gardens will start immediately following the picnic lunch.
