## SAFEWAY'S the best place in town to buy **GRAPES**

Bountiful harvests tenderly handled . . . arriving daily!

A wonderful harvest of table grapes is going on right now in California vineyards. And the finest of these favorite eating grapes are coming to Safeway . . . Thompson seedless. So freshly picked you see the delicate "bloom" still on the skins! Clusters are compact and inviting. They've been kept cool and dry during fast shipment. And we've handled only the stems in setting out displays . . . so the grapes you get from Safeway are at their plump, juiciest. Come in for a big bagful!
