

Guild Makes Plans For Costume Tea

Ashland—Tudor guild of the Oregon Shakespearean festival has planned a costume silver tea for Sunday, August 28. It will be held at The Hollies in Ashland, 912 Siskiyou boulevard, and anyone interested in the costumes of the festival plays is invited to attend.

General chairman for the event is Mrs. Rose Taverner Robnett. Her committee includes the hostess chairman, Mrs. C. Rease Braley, Medford; Mrs. Harry Skerry, Ashland, publicity; Mrs. A. M. Hill, Ashland, and Mrs. A. C. Allen Jr., Medford, decorations; Mrs. Ruth King and Mrs. R. W. Penzer, tea arrangements; Mr. Allen, Max Wimmer, Medford, and Frank Davis, chairs.

Douglas Russell, chief costumer of the festival, and Dr. Margery Bailey, festival education director, will arrange the program.

This special event was planned in answer to many requests from those interested patrons who wish to view costumes at close hand and hear discussions on the subject, the committee states.

Plan Party

Pocahontas lodge will entertain members of Redmen lodge and their wives at a card party Friday, August 26. The event is set for 8:30 p.m. in Redman hall, and pie will be served following cards.

When you're painting the drawers of desk or chest, it's easier if you remove the handles or knobs and paint them separately. They're easy to handle if attached to a section of cardboard.

Preparations are well under way for the Fiesta San Gabriel at Old San Gabriel Mission September 2 to 5. Music and dancing will give a festive air at the celebration of the 184th Anniversary of one of the oldest missions in America at San Gabriel, California.

Visitors will come from all over the country to join in this Fiesta on the mission grounds and to view one of the finest collections of mission relics in existence. Especially interesting to all visitors are the original Indian paintings representing the Fourteen Stations of the Cross. Strikingly primitive, these canvases are probably the oldest existing samples of native Christian painting.

Other paintings on view are Mexican and Spanish works, many over 400 years old. One fifteenth century Italian painting is revealed in a portrait of the Virgin Mary by Correggio.

The missions museum collection also boasts several ancient wooden statues and handwrought objects of copper, brass and silver which form a part of the extensive antiquities display.

The baptistry, with its hammered copper font brought to the mission from Spain in 1771 as a present from King Carlos III, has been the scene of more than 25,000 baptisms.

Visitors to California during the Fiesta period as well as all through the year are invited to take a complete tour of the Missions grounds, buildings and museums to enjoy all of the countless interesting historical features of Old San Gabriel Mission.

Development Area Visited by Group

A group of members of Medford Business and Professional Women's club and their husband visited the hydroelectric development on the North Umpqua river at Toketee recently. After coffee at the Diamond Lake lodge, the group gathered for

the Lemolo No. 1 dam and powerhouse were the first visited. They are but a few miles from Diamond Lake and have been in operation but a few weeks. Several miles down the river dinner was served at the Clearwater camp.

The group then inspected the Toketee powerhouse from which all the other powerhouses are controlled. The Lemolo No. 2 forebay and penstock, which are now under construction, proved interesting, and the view of the Toketee dam and Lemolo No. 2 project from some 800 feet up on the Clearwater No. 2 forebay proved the most spectacular, the group reported.
