Five people were injured, none of them seriously, in two Jackson county automobile accidents yesterday, according to state police.

The first accident occurred at about 10:30 a.m. at the intersection of Table Rock and Airport rds., police said.

Police said a car operated by Elmer George Erickson, route 2, box 100, Central Point, was involved in a collision with a truck driven by Merle LeRoy Carder, 45, of 150 North Pioneer st., Ashland.

Pushed 183 Feet

Investigating officers said Erickson had stopped at the intersection, apparently to make a turn onto Airport rd. The truck, while attempting to pass the car, skidded into the rear of it, pushing it ahead 183 feet and onto a lawn of a house.

Injured in the accident were Carthine Lucille Campbell, 37, of route 2, box 100, Central Point, suffering head cuts and shock; Leslie Lynn Campbell, 4, same address, head cuts, and Janice Joan Erickson, 3 months, head bruises, according to police. All were passengers in the Erickson car. The injured were taken to a local hospital, and were treated and released.

Car Over Embankment

The second accident occurred at about 12:30 p.m. on Greensprings highway about 12 miles east of Ashland when a car operated by Marie L. Erickson, 59, Kirkland, Wash., went out of control on loose gravel and went 195 feet down an embankment. The driver and Mrs. Oliver Esther, 70, Kirkland, both were taken by Litwiler ambulance to Ashland General hospital where they were treated for cuts and bruises and were released.

### West Side School Schedules Opening Of Classes Sept. 6

Opening day for West Side elementary school will be Tuesday, Sept. 6, at 8:30 a.m., it was announced today by Mrs. Bertha M. Haskins, principal.

Children entering school for the first time should have their birth certificate and a medical examination record for presentation for the opening day registration. According to state law, children must be six years of age by November 15 to be accepted for enrollment, Mrs. Haskins cautioned parents.

Classes will convene on the same day after the issuing of texts, and handing out of assignments, Mrs. Haskins said. Primary pupils will be dismissed at 2 p.m., third grade pupils at 3 p.m., and all other students at 3:30 p.m. Teachers will report at the school on Sept. 1 and 2 for orientation and on Sept. 8 and 9 will attend in-service training sessions at the Elk-Trail elementary school.

Mrs. Haskins pointed out the school's renovations during the summer, including new electrical appliances installed in the cafeteria, a new ceiling for the gymnasium, and the furnishing of new desks in the intermediate room.

The school's faculty for the coming year will be Mrs. Pat Dolan, Ashland, who will teach the first and second grades; Mrs. Haskins, Medford, who will teach the third, fourth and fifth grades; and Ernst Ludwig, Medford, who will teach the sixth, seventh and eighth grades and have charge of physical education classes.

Mrs. Pauline Kono-pasek will again serve as cafeteria cook and Clyde Graham will serve as custodian.

West Side school board members are Mrs. Kathryn Hefferman, chairman; Francis Cheney, vice-chairman; Phillip Humphreys; William Salade; and Walter A. Graff. Edward Berry has been appointed clerk of the school district.
