

Seals Must Pay Debt by September 2

San Francisco — (U.P.) — The San Francisco Seals have until Sept. 2 to pay off a \$30,000 debt to the Pacific Coast League or face possible foreclosure on their franchise.

League President Claire Goodwin announced yesterday the league will meet here then to decide whether to foreclose on the financially stricken Seals.

The \$30,000 is the balance due on a \$150,000 loan the league made to the Seals in 1953 when Paul I. Fagan sold his interest in the franchise and players. Fagan's interest was taken over by the so-called "Little Corporation."

Damon Miller, president of the group, said the payment was due May 1. On Aug. 15, the league's directors told Miller in Los Angeles that the debt had to be paid off or the PCL would take over the franchise.

Miller said he expected to have the \$30,000 within "10 to 20 days," possibly through the sale of shortstop Mike Baxes who is on the block for \$50,000.

Meanwhile, radio station KSNB owner S. H. Patterson and his son, Norwood, have until Sept. 3 to exercise their option to buy controlling interest in the team, by buying \$20,000 of common stock owned by Miller and six associates.

Souchak, Snead Ahead in Labatt

Montreal — (U.P.) — The "slammer" and the "slugger" headed a field of 131 Dominion and American golfers today as the \$26,800 Labatt Open, Canada's richest golf tournament, swung into the second round at the Summerlea course.

Burly Mike Souchak, a somewhat tamed-down slugger, and Sam Snead, the master, were out in front with five-under-par 65s. But only one stroke separated them from Doug Ford of Kiamisha Lake, N.Y., and Marty Furgol of Lemont, Ill.

Gene Littler, Palm Springs, Calif., pro, was only two strokes off the pace and seven other par-busters were bunched at 68 as 18 shooters broke regulation figures Thursday.

Stanford Coach Taylor Not As Optimistic as in Past

One of a series on the prospects of Pacific Coast Conference teams for the 1955 football season.

Stanford, Calif. — (U.P.) — The Stanford Indians are facing their toughest schedule in history as far as Coach Chuck Taylor is concerned and the gritty red-head refuses to play his usual optimistic role.

After meeting Ohio State in a nationally televised game October 1, Taylor's warriors take on Michigan State and UCLA in that order.

"It will be hard for me to realize that UCLA is as tough as last year's squad which beat us 72-0," Taylor said. "But Red Sanders still may have the best team in the conference. He is just playing possum when he says that Stanford or Southern California will go to the Rose Bowl."

Taylor lists Stanford's strong points as (1) a more experienced team than last year, (2) more depth at the backs and (3) no irreplaceable losses among the 10 lettermen who departed. He has 20 coming back.

"I'm also expecting to see good competition for all the positions," Taylor said. "That is another thing which helps build a team."

What about that mighty contingent of sophomores Sanders said would help Stanford sweep into the Rose Bowl?

Delaware Town, Morrisville Vie In Series Final

Williamsport, Pa. — (U.P.) — Morrisville, Pa., and Delaware Township, N.J., practically neighbors, meet for the Little League World Series title today after blasting their way into the finals with home runs.

The 1955 Little League competition began with 1,800 leagues throughout the nation. But as it neared a climax, the lone survivors were two Delaware River communities located only 20 miles from each other.

Delaware Township was trailing 4-3 when it came to bat in the top of the sixth and final inning against Auburn, Ala., Thursday. However, with two out and Tom Trotman on base with a walk, Harry Foulks homered for two runs. Wilbur Robinson then followed with another circuit clutch.

The thrilling finish was almost a letdown from the sudden, 3-0, end which Morrisville put to its extra-inning game with Winchester, Mass.

The contest went into overtime when the teams completed the regulation six innings in a scoreless tie. Two innings later, Vince Sawyer homered with two mates on and two out to give Morrisville its triumph.

HEART TOURNEY STARTS

Kansas City, Mo. — (U.P.) — U. S. Open champion Fay Crocker heads a star field today in the first round of the \$5,000 Heart of America Women's Open Golf Tournament on Oakwood Country Club's 6434-yards of narrow fairways and fast greens. Miss Crocker and Texas veteran Betty Jameson, a former National champion, were regarded by local experts as the most likely to get the winner's check.

Several local merchants have donated extra money which will be added to the regular purse. The race program will consist of two trophy dashes, four heat races and two main races. Time trials have been set for 7 p.m. with racing starting at 8 p.m.

BOWLING

Evergreen Bowling League last week elected officers, approved absentee rules, and approved an annual banquet prior to getting to the main idea of the evening, bowling. Officers will be Dick Spain, President, Swede Larson, Vice-president, and Bob Lane, secretary-treasurer. Nearly half the league is composed of new men or with men not bowling in this league last season. With the expansion of the loop to 12 teams many new faces to bowling are also added.

A four-way tie for the top spot came about when these series all went 4-0, with the first evening being the usual scratch bowling, to set the handicaps established. Big Y marketeers held top spot by virtue of their 2468 series. The Barber Local followed, with Domestic Laundry and Pierce Auto Freight in that order.

Newly organized team of Oasis ballroom gave Jorgensen's dairy a scare before losing by 3-1, and the two new teams of Eastside market and Jackson Creek Lumber held each other to an even split.

High Series went to Fred Beck of Domestic with a 566, and high game was run up by Ray Edwards of Oasis. There were 11 series of over 500 pins.

Only clean sweep of the opening series this week went to Quality market, who downed A and B insurance by more than 200 pins.

Closely following Quality came C & C Loggers, the Darling Realtors, and the Mail Tribune teams, all with 3 wins and 1 loss. However, series were close in two cases. Only one pin gave the newsmen their third point and only two pins gave the realtors their third.

Two series ended in even splits, with Courtesy Chev. and the Bates Candy Co. boys taking the two games, and the Morning Fresh Bakers and Table Rock Lumbermen taking only one game but with pins sufficient to take the total points for the series.

Individual performances were contributed by Ray Wise with a 633, Doc Wilson with a 604, and Mel Cannon with a 601 series. Doc Wilson had a high game of 235, Mel Cannon had a 220 game, and Ray Wise put his 633 series together with a 205 and two games of 214. Quality had high team game with 2675.

National Tennis Tiff Still Rates As Spellbinder

Chestnut Hill, Mass. — (U.P.) — It may be a consolation championship in the eyes of the oldersters but the 75th National tennis doubles tourney was still a spellbinder today to youngsters playing in it.

Although barren of top names, winning the title would still be the ticket to tennis fame and fortune for the youngsters, who got a crack at the crown when rain-forced postponements drove the big stars out.

One of the darkhorse tandems hoping to hit tennis' big time with a win here got their come-uppance Thursday, but they played their hearts out before bowing.

Another was to play in the semi-finals today and was almost assured of advancing to the finals.

Thursday's losers were, Al Harum, a 20-year-old collegian from Newport, R. I., and 19-year-old Barry MacKay, of Dayton, Ohio. The lads were beaten by Britishers Roger Becker and Robert Wilson, fourth in foreign seedings, 3-6 14-12, 5-7, 6-1, 7-5.

The hopefuls were Jerry Moss, 19, of St. Petersburg, Fla., and Bill Quillan, 21, of Seattle, Wash.

They were matched today against Earl Baumgardner, of Oakland, Calif., and Greg Grant, of San Marino, Calif., and were solid choices to win, having already toppled two seeded tandems.

"No LEAVE FOR SANTEE" New York — (U.P.) — The Amateur Athletic Union said yesterday that Wes Santee, star American miler and half-miler, was unable to get leave from the U. S. Marines to compete in races in Europe in September. "He was invited to race against Roger Moens of Belgium and also against Gunnar Nielsen of Denmark, but had to decline because he could not get leave," said the AAU.

Chase Misses No-Hitter Game

Frank Chase came within three outs of a no-hitter last night at Spokane but had to settle for a 10th inning, 6-2 victory for his league leading Eugene Emeralds of the Northwest League.

Eugene's win kept the Oregon club three full games ahead of second place Wenatchee which belted Yakima, 15-8. Tri-City took the measure of Lewiston in the loop's other contest last night, 8-3.

Chase was a master of control for the first eight innings of the Spokane game. But his first pitch in the bottom of the ninth, with Eugene leading 2-0, was lined for a single by Bill Staley. In the next five pitches, Spokane managed to tie the ball game and force the extra inning.

There, Chase's teammates came to the rescue with Cliff Dapper, his battery mate and team manager, socking a three-run homer to insure a victory.

Fish Lake Accessible

Fish lake is accessible to anglers, despite reports to the contrary, and more big fish are being caught now than at any time during the season, Resort Proprietor Lloyd Morris reported today.

The lake is open because of irrigation use. But Morris said that there is still plenty of water in the lake and that the resort dock has been extended and all resort boats are still on the lake. However, he advised against fishermen bringing their own boats to the lake because the difficulty to launch them.

Fish caught have been ranging from 12 to 26 inches, Morris said.

Savage Stops Houston in 4th

Reno, Nev. — (U.P.) — Salt Lake City's Milo Savage lived up to his name last night in stopping John Houston of Oakland, Calif., in the fourth round of their scheduled 10-rounder at Moana Ball park.

The 162-pound Utah slugger caught Houston, 156½, with a staggering right to the jaw at the opening of the fourth and followed through with a punishing body and head attack that sent Houston through the ropes.

Houston was back on his feet at the count of nine, but Referee Jimmy Olivas stopped the bout as Savage rocked his groggy foe around the ring.
