Members of the Rogue River Ramblers, local motorcycle club, reported the club all set for the Southern Oregon Gypsy Tour activities which they are sponsoring today in the Copper area.

Rogue River Ramblers, local motorcycle organization was set today for the Southern Oregon Gypsy Tour which is to take place at Copper, today.

Riders and visiting American Motorcycle association members were to register in for their Gypsy Tour awards starting at 9 a.m. The booth will be open at intervals throughout the day. Shortly before noon the time trials for the "scrambles" will be held. The field meet will get under way after the lunch hour, and will be followed by the race meet heats.

Ramblers are donating several trophies besides the trophies given for all field events. The program will again be run on a point system and governed by AMA rules. High point man in both the field meet and the races will receive a trophy. Individual riders will also have a chance at a trophy when the "special judging" of road equipment takes place.

Equal Chance

Gypsy Tours are held every year for all cyclists belonging to the AMA, and are giving others an opportunity to join and get in on the various promotions. The rules are laid out to give the road rider an equal chance along with the rider who goes out for the competitive events such as racing and hill-climbing.

A large crowd is anticipated with riders coming from Eureka, Calif. Clubs from Roseburg and Canyonville are riding down in groups. Several local riders will be present to try and keep the "bacon" at home.

There will be no charge for admission to this Gypsy Tour and the public is invited.

Lights at the Medford senior high school football stadium will be increased by 50 per cent this season. Superintendent of Schools Leonard Mayfield said that one more bank of floodlights is being added to each pole at the field. The poles each have had two banks of lights. Additional arcs are expected to make the Medford gridiron one of the best lighted in the state. Installation will be completed in time for the first game on September 10.

Mayfield stressed that the new lights are being paid for strictly out of athletic funds. Rewiring is being done for better control and switching. The superintendent said that the lighting improvements are "a major change but at the same time we fell it's needed."

Indians, Yankees Tied For First; Giants Drop To Fourth

By FRED DOWN
United Press Sports Writer

The Cleveland Indians and the New York Yankees are right back where they started on April 11—opening day of the season.

Ballying for four runs in the eighth inning, the Indians defeated the Yankees, 7-6, Saturday and moved to a tie with them for the American league lead. The triumph was the 12th the Indians have scored over New York this season marking the first time a rival have won a season series from the Yankees since Casey Stengel took over in 1949.

Bob Lemon, one of Cleveland's star pitchers, drove in the game-winning run as an eighth-inning pinch hitter. The Indians had tied the score at 6-6 on Bobby Avila's three-run homer and then filled the bases with one out against relief pitcher Bob Gajm.

Sax Move Up

The second-place Chicago White Sox moved to within a half game of the leaders when they crushed the Washington Senators, 11-1, while the Boston Red Sox hung four games off the pace when Ted Williams hit a grand-slam homer in the ninth for a 4-3 win over the Detroit Tigers. Kansas City and Baltimore were not scheduled.

Sandy Koufax, a 19-year-old bonus pitcher, struck out 14 batters and yielded only two hits in pitching the Brooklyn Dodgers to a 7-0 victory over the Cincinnati Redlegs. A total of 23 batters struck out during the game equalling the major league record.

Koufax, who yielded a first-inning single to Ted Kluszewski and a ninth-inning double to Sam Mele, was backed by an eight-hit attack that included homers by Carl Furillo and Jackie Robinson. The 14 strikeouts were a high by a national league pitcher this season.

Braves Win

Danny O'Connell hit his second homer of the game in the 11th to give the Milwaukee club a 5-4 victory that dropped the World Champion New York Giants into fourth place. Lew Burdette received credit for his 10th win although he needed help from both Roberto Vargas and Ernie Johnson when the Giants filled the bases with one out in the ninth. The Braves have won 11 of 13 games but still trail the first-place Dod-

ers by 10 games.

Stan Lopata and Granny Hamner hit homers to lead the Philadelphia Phils to an 8-2 victory over the St. Louis Cardinals behind Murray Dickson's nine-hitter and the Chicago Cubs edged out the Pittsburgh Pirates, 4-3, on Walker Cooper's ninth inning homer in the other National league games. Announcing OUR NEW

Clayton DYNAMOMETER
POWER PROVED SERVICE

A New and Improved Service To Insure Peak Road Performance

Be sure your car engine is producing the horsepower it was designed and built to give you. We have invested thousands of dollars in a Clayton Dynamometer to find the hidden horsepower in your car. This ultra modern equipment enables us to quickly and accurately diagnose the exact trouble. When service is completed, our dynamometer makes possible fine tuning and adjustments under actual road driving conditions without leaving the shop. Drive in and let us *dyno-test* your car.

HOW WE DO IT

The rear wheels of your car rest on the traction rolls, which act as a treadmill. As your engine transmits horsepower to the rolls, it is absorbed and measured. The road load set up on the rolls by the operator is changed at will to duplicate every possible road driving condition, and your car's reaction to these road driving demands determines the adjustments necessary to insure peak performance.
