

Len Gaines, Dupas Draw

Oakland, Calif. —(U.P.)—Leonard Gaines, an unknown lightweight from Richmond, Calif., today found himself classed with such contenders as Frankie Ryff by Ralph Dupas as the disappointed New Orleans boxer tried to recover from the shock of being held to a draw by the 1-4 underdog.

Gaines, who has had 14 professional fights, was awarded a draw with second-ranking Dupas here last night and many fans thought the California Negro should have been given the decision.

Dupas, who spent most of the night on his bicycle, closed fast enough in the ninth and tenth rounds to have Referee Jack Silver score the fight 55 1-2-54 1-2 in his favor. But Dupas lost a point for hitting Gaines with a low right hand in the fifth round and that dropped the final tally to 54 1-2-54 1-2.

"This guy is as tough as Frankie Ryff and harder to hit than Johnny Gonzales," Dupas said afterwards. "But I know I won. However, there's nothing I can do about Silver's decision."

However, Jack Griffin—who is handling Dupas' managerial affairs in this state—blasted the verdict as a hometown decision.

New York —(U.P.)—Star player Dick McGuire has signed his contract with the New York Knickerbockers for the 1955-56 National Basketball Association season. McGuire, former St. John's star, will be playing his seventh year in the NBA. He was runner-up to Bob Cousy of Boston last season for the league

Quality Sought In OSC Practices

Corvallis —(U.P.)—Quality, rather than quantity, was the goal of the Oregon State College football coaching staff as the Beaver gridders opened practice yesterday for the 1955 season.

Only 41 grid candidates were on hand for the drill but new Head Coach Tommy Prothro didn't appear at all unhappy and went right ahead getting his charges in shape for their opener Sept. 17 against Brigham Young.

RED SOX RECALL
Boston —(U.P.)—The Boston Red Sox have recalled 12 players from minor league farm teams, but none will report immediately.

Called up were Billy Conso and Al Van Alstyne from Oakland, Neil Crisley from Nashville, Guy Morton from Montgomery, Truman Clevenger, Al Schroll, Al Curtis, R. G. Smith, Russ Kemmerer, Joe Buck, Dick Gernert, and Frank Malzone from Louisville.

Bomber, Parker Nines in Finals

Wichita, Kan. —(U.P.)—Two teams already were in the quarter-finals of the National Baseball Congress tournament today and they will be joined by four other clubs tonight.

The headline attraction on tonight's card pits the defending champion Wichita Boeving Bombers (4-0) against the unseeded Huntsville, Ala., Parkers (4-0), who rose up to knock off the top-seeded St. Joseph, Mich., Auscos last night.

The other games will send the St. Joseph Auscos (3-1) against the Holden, Mo., Chiefs (3-1) and the Milwaukee, Wis., 4-3, and Gary, Ind., downed Salt Lake City, 2-0.

Regardless of who wins the Wichita Boeving-Huntsville game, both clubs will move into the quarter final round.

Huntsville pulled the biggest surprise of the tournament last night as it defeated the St. Joseph Auscos, 4-1, behind the sixth hurling of 22-year-old Bill Stewart.

Cincinnati Gains Legion Finale

St. Paul —(U.P.)—Cincinnati gained the finals of the National American Legion Junior Baseball Tournament by eliminating Salisbury, N.C., 6-5, last night in 10 innings and meets Washington, D.C., tonight.

If the Ohioans win tonight, a final and deciding game will be played Saturday. If Washington wins, the series will be over.

Cincinnati scored four runs in the bottom of the tenth inning after Salisbury had rallied for three in the first half of the inning.

Texas Bank Robber Added To FBI List Of Wanted Men

Washington —(U.P.)—A gun-toting Texas bank robber, described as having "no regard for human life," was placed today on the FBI's list of the ten most wanted fugitives.

The fugitive, Charles Edward Rannels, 33, is charged in a grand jury indictment with holding up a Louisville, Ky., bank on Oct. 27, 1954 and escaping with \$34,860 in cash. He is accused in an FBI complaint of being the lone, armed bandit who escaped with \$9,700 in cash and \$15,000 in travelers checks from the Lone Oak, Ky., bank last May.

The FBI said that Rannels also is a chief suspect in a Louisville supermarket robbery that netted the bandit \$3,000.

Rannels' record includes convictions for kidnapping, robbery with firearms, auto theft and two years in the Huntsville, Tex., State Prison — from December, 1951 to December, 1953 — for robbery.

Rannels is five-feet-seven, weighs 150 pounds, and has numerous cut scars about the face. He has a score of distinctive tattoos — including the words "hard luck" spelled out, respectively, on the fingers of his right and left hands.

He replaced Charles Falzone on the FBI's most-wanted list. Falzone was caught at New Bedford, Pa., on Aug. 17.

Hearing Waived In Chiloquin Death

Klamath Falls —(U.P.)—A 26-year-old Klamath Reservation Indian waived preliminary hearing and was ordered bound over to a Klamath county grand jury yesterday when he was arraigned on second degree murder charges.

Marcellus John Norwest was arraigned before District Judge D. D. Van Vactor for the slaying of Jackie Howard Jones, 24-year-old Chiloquin logger. Norwest was ordered held without bail.

Jones, a former divinity student recently paroled from Missouri state prison, was slain early Wednesday with a 30-30 rifle. Norwest told police he and Jones had argued over possession of a case of beer, and he had pointed the rifle at Jones to go scare him, unaware that it was loaded.

Norwest and a third person, Leroy (Buzz) Warley, reported the shooting to Chiloquin police almost immediately. Warley was held only briefly.

Non-Farm Work Off in West States

San Francisco —(U.P.)—The usual August upswing in non-farm employment was off in eight western states due to the strike in the mining industry.

The regional office of the Department of Labor reported today the August increase was only about one-fourth of the usual upswing for this time of year.

Non-farm jobs in Arizona, Colorado, Idaho, Montana, Nevada, New Mexico, Utah and Wyoming were reported increased by 2600 to a total of 1,508,700 in mid-July.

UO Gridders Have Five-Minute Mile

Eugene —(U.P.)—Highlight of the opening day of practice for the 1955 campaign for University of Oregon football players was the annual five minute mile run.

Coach Len Casanova uses the mile run as a test of the condition of his gridders. Casanova said results of the test run yesterday were "very satisfactory."

ROCKY PASSES CAKE
Grossinger, N.Y. —(U.P.)—It was the champ's birthday, but his daughter ate most of the cake. Heavyweight champion Rocky Marciano celebrated his 31st birthday Wednesday at his training camp here, also the 26th birthday of his wife, Barbara, which fell the day before. But while Marciano skipped the cake to watch his waist-line, daughter Mary Ann, age 3, ate her share and daddy's, too.

Seattle —(U.P.)—The Washington Game Department reminded anglers of a 10-inch minimum limit that went into effect yesterday on trout caught in five western Washington counties. Trout measuring less than 10 inches must be returned to streams in Pacific, Grays Harbor, Mason, Clallam and Jefferson counties. The normal limit is six inches.
