

"GOT THE WASHDAY BLUES?" GET G-E...IT'S A DREAM!

HERE'S YOUR DREAM COME TRUE. IT'S REAL WASHDAY MAGIC WITH A G-E HOME LAUNDRY. Don't Put Yourself Through a "Wringer" Every Time You Wash... Trade Now, You'll Be Glad You Did!

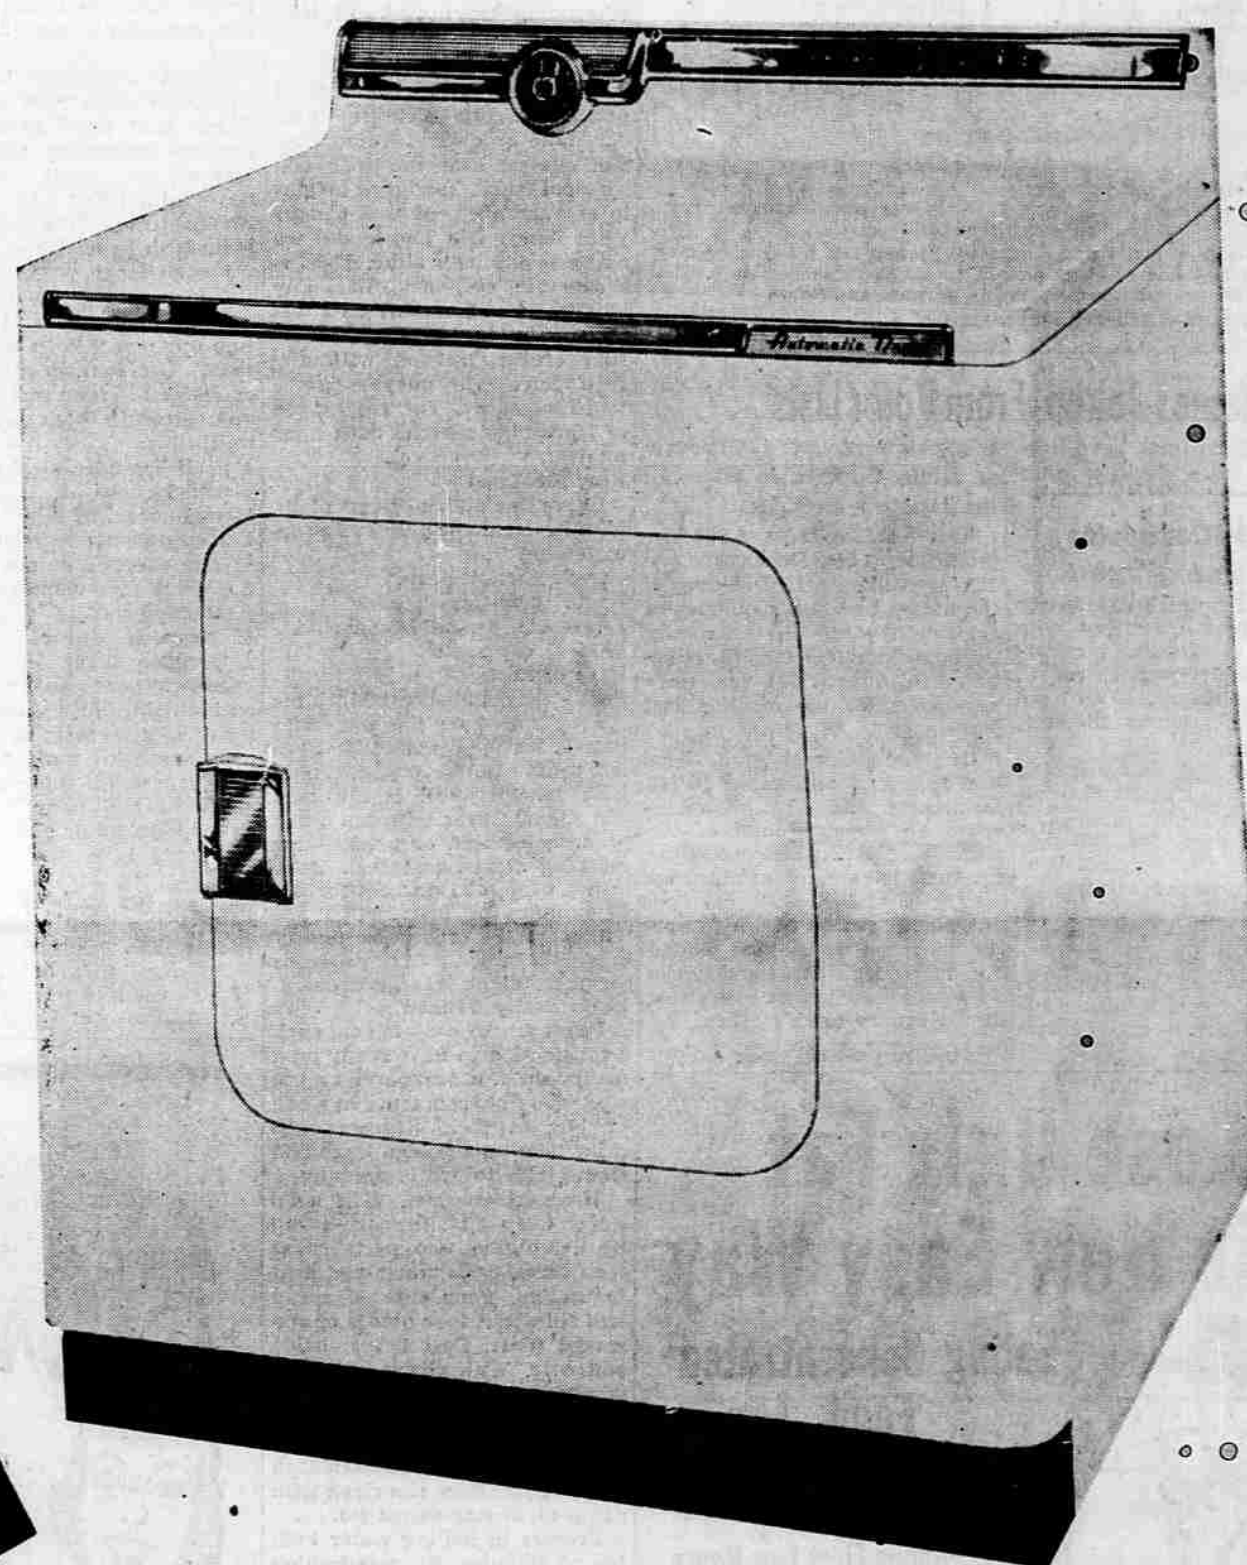

AUTOMATIC WASHER

Filters lint out of your clothes right before your eyes. As the wash water is pumped through the system and into the washbasket again, the lint is filtered from your wash by the removable filter.

A few washings in the new G-E removes the lint haze, which dulls and discolors bright fabrics. You can brighten your clothes again — restore their own full color.

Big clothes capacity for big Monday washes. You can do a large family wash all at one time in the G-E. Washes big 10 pound loads of normal family wash, up to 12 pounds of special heavy fabrics.

When you wash small loads of clothes, you can save up to 20 gallons of water with the new Water Saver Control pushbutton. It allows you to select any water level desired, from 11 gallons up to full capacity.

AUTOMATIC DRYER-CONDITIONER

For real washday freedom, this G-E Automatic Dryer is the answer. Just imagine, your clothes are fluffy dry for wear, or damp dry for ironing. And a G-E Dryer-Conditioner will AUTOMATICALLY SPRINKLE your clothes by combining just the right amount of moisture, air and tumbling.

It's quick and it's easy!... And it means that never again will you have to iron when you don't feel like it, just because you have a basket full of damp clothes that might mildew if not taken care of immediately. Dry those clothes in your G-E Dryer-Conditioner — you can sprinkle them whenever you're ready to iron.
