Altrusa Member At Salem Session; Governor Here

Mrs. Maude Coddling, president of Medford Altrusa club, left by plane yesterday morning to attend an area workshop at the Marion hotel in Salem for officers of Oregon Altrusa clubs.

Dr. Loretta M. Miller, Ellensburg, Wash., governor of the 12th district, who conducted a workshop for the local club members last Thursday night, will preside at the workshop at Salem.

Mrs. Coddling will assist Dr. Miller, who has invited her to conduct a part of the conference, presiding with Mrs. Lois Keenan of Salem in a special workshop division for training secretaries and treasurers in some of the new duties assigned to them by changes in the constitution, revised at the international convention at Toronto.

Dr. Miller complimented the Medford club in her talk at the dinner and at a breakfast for board members Friday morning, on the program and organization work of the club and especially on the work in vocational aid to the mature woman.

In her talk on the international convention, Dr. Miller announced that the vocational training of the older woman has become so important that the founders' fund board has allocated \$10,000 this coming year for grants to educate the mature woman who must return to the labor market to earn a living. Last year \$8,000 were given for this purpose.

Grants in aid funds, a project of Altrusa, which has been used to assist women from South American who were doing graduate study in this country, has this year been extended to Asiatic women for the same purpose. This work has been praised as a great help in international relations.

Dr. Miller also announced that after October 1 Oregon clubs will be transferred to a new District 12 along with Washington, Idaho, Alberta, British Columbia and Saskatchewan, Canada.

Oregon formerly was under the jurisdiction of District 10 but now two more districts have been formed because of the growth of new clubs. Over 1200 business and professional women will be under the direction of the new governor, Dr. Miller.

Extension of Altrusa to France, Ireland, Switzerland, and Scandinavia as well as additional clubs in England was voted approval by the international executive committee and will be started at once.

Flat-Heeled Shoes For College Wear Varied This Autumn

College girls will be flat on their heels this Fall, as always. But the quality and variety of flat-heeled shoes have reached a new high.

New leathers have ushered in style changes such as textured surfaces, and a wider range of colors. Most of the new flaties are light as a feather and soft as down. Soft leather slip-ons, which practically make you float, are anchored with elasticized throats or sides. High throat lines and high cutters give many a truly Oriental look.

Stacked leather heels will be clattering down the corridors of high schools and colleges, since you'll find them on most of the new flats.

Saddle stitching and leather lacing adds interesting surface treatment to the simple lines of most flats. In one series, the new fiddle shank, which makes the leather sole look like an hourglass, provides an illusion of slimmness and grace, even on wedgies.

Choir Sings For Hundreds In Berne

Berne, Switzerland—(U.P.)—A sell-out crowd of more than 4,000 persons welcomed the Salt Lake Mormon Tabernacle choir at Festival hall Saturday night with cheers and warm applause. Hundreds of American and other foreigners jammed the hall together with Bernese to hear the 379-voice choir.

Among those present were the president of the Church of the Latter Day Saints, David O. McKay, Berne Canton Governor Max Gafner and U.S. Charge D'Affaires Roy M. Melbourne.

The concert was conducted by Richard P. Condie and alternately accompanied by Drs. Alexander Schreiner and Frank W. Asper on the piano, since the hall has no organ.

The concert began with chorales by Bach, Liszt, Tschernoff and Handel.

Handel's "For Unto Us a Child Is Born" received the biggest round of applause from the audience.

This was followed by a group of American songs which included the "Battle Hymn of the Republic."

The choir responded to sustained cheering by singing the "Hallelujah" chorus.

Soprano soloist Ewan Harbrecht sang Handel's "Oh King of Kings" and Beethoven's "Praise Ye Jehovah" as an encore.

During the intermission Richard I. Evans told the audience his impressions of Europe. He also introduced three Swiss-born members of the choir and others of Swiss descent.

The second part of the concert began with two Mormon hymns: "Oh My Father" and "Come Ye Saints."

Storms of applause at the regular program brought encores by the choir and Miss Harbrecht.

President McKay and other dignitaries held a short reception in the hall gallery after the concert.

Fashionable Knits Now Easy to Wash; Instructions Given

New York—(U.P.)—Cotton knits, which this year have branched out to the world of high fashion, can be washed easily by hand or machine.

The knits, longtime favorite for sportswear and children's clothing, now are favorites for daytime and after-five dresses, separates, and dress-suit combinations. And they're more popular than ever for over-blouses, middies, tuck-in shirts, shorts, pedal-pushers and tapered trousers.

The Association of American Soap and Glycerine Producers recommends that the homemaker read the label on the fabric, to determine whether it should be hand or machine washed. Wash whites separately.

And, for the first washing, launder other colors separately to wash away excess color.

Wash knit cottons in moderately warm soapsuds and rinse without wringing, twisting or rubbing. Remove excess moisture from better garments, such as dresses and blouses, by rolling in a towel.

For machine washing, use three-minute cycles for sudsing and rinsing.

Fruit Cobbler

New York—(U.P.)—Fresh fruit cobbles always are a treat. For an especially delicious one, follow your favorite recipe substituting 1/2 cup rolled oats for 1/2 cup of the flour in the biscuit topping. The rolled oats give the biscuits a sweet, nut-like flavor, good with fruit of all kinds.
