DO HAVE A CHEW OF WHEAT

The important cereal crop of a given region is called corn, says Webster, whether it happens to be wheat, as in England, or oats, as in Ireland and Scotland. In the United States and Australia corn generally means only Indian corn, otherwise known as maize.

It seems paradoxical, yet typical of Yankee indifference concerning food and health, that although wheat is America's important cereal, scarcely one in a hundred Americans knows good wheat when he sees it and not one in a thousand knows how to use wheat in the everyday diet and not one in ten thousand knows how good it is to chew in place of gum or tobacco.

Preparation of wheat for use as a staple of the diet requires a little know-how such as you can get from the best of all cook books, Adelle Davis's Let's Cook It Right. To help stretch the food dollar, it says on the book's jacket, Miss Davis makes innumerable suggestions for buying wisely... and one of the best suggestions is how to make plain wheat popular in any family.

A good way to get acquainted with plain wheat, if you have acquired a vague notion that the grain as it comes from the thresher is fit only for poultry feed, is to chew a mouthful. Many readers who were raised in the country write nostalgically about how they used to enjoy this when they had teeth!

In Little Lesson 16, The 7 Keys to Vite, available for 25c free from stickum and goo, and stamped envelope bearing your address, I describe the pattern health, protective, corrective, regeneration diet, on which to build your own everyday diet. I have such a diet in mind when I say no medicine is required to prevent or cure the rheumatism.

Even wishy-washy persons who haven't sufficient personality or character to buy a pound or a peck of plain wheat and restoring the real staff of life to their daily diet in place of at least half of the refined white flour consumed every day do not require any medicine, but only a suitable daily ration of calcium, sunshine vitamin D, vitamin B complex and iodine to supplement the diet.

All of this applies to the diet of growing children as well as to the diet of mature adults.

Besides the VITE booklet and these pamphlets should be especially helpful to any one who wishes to retard or prevent physical degeneration and stave off the rheumatism:

Calcium and Rheumatism
Wheat to Eat
Young Folks and Old Folks
The Iodine Ration

For any one pamphlet send a dime, name the one you want dressed envelope.

Pastor Gets Letter From Mme. Kai-shek

Phoenix—The Rev. O. LeRoy Nidever, of the Phoenix Revival Center (Assembly of God), this week received a letter from Mme. Chiang Kai-shek, wife of Generalissimo Chiang Kai-shek, president of Nationalist China.

The letter, mailed Aug. 19 from Taipei, Taiwan (Formosa), was in response to a letter Mr. Nidever sent to her July 30, complimenting her on an article she wrote, "The Power of Prayer," which appeared in the August issue of the Readers Digest.

The brief note, which is now one of Mr. Nidever's most precious possessions, was appreciative, and said in part, "I appreciate the time and trouble you took to write to me..."

Forest Green Agency Installs Radio Units

The Forest Green Detective Agency, which polices industrial sites at White City, has installed and put into operation a two-way radio system. The system includes two mobile and a station unit.

The agency, through radio, will be able to contact regular law enforcement agencies as well as fire departments. The agency, in addition to policing the area, reports fires, and in some cases extinguishes small fires in the area.

ROCKY SHARP

Grossinger, N. Y. — (UPI) — Rocky Marciano, now "razor sharp" for his next heavyweight title defense against Archie Moore next Tuesday, today was rewarded with a day off by Manager Al Weill. The champion, who now has sparring 107 rounds, will not resume boxing until Wednesday.

Work, Sleep, Play In Comfort

Without Nagging Backache

Nagging backache, headache, or muscular aches and pains may come on with over-exertion, emotional upset or day-to-day stress and strain. And folks who eat and drink unwisely sometimes suffer mild bladder irritation with that restless, uncomfortable feeling.

If you are miserable and worn out because of these discomforts, Doan's Pills often help by their pain relieving action, by their soothing effect to ease bladder irritation, and by their mild diuretic action through the kidneys—tending to increase the output of 1 1/2 miles of kidney tubes.

So if nagging backache makes you feel dragged out, miserable, with restless, sleepless nights, don't wait. Try Doan's Pills, get the same happy relief millions have enjoyed for over 60 years. Ask for new large, economy size and save money. Get Doan's Pills today!
