**BIG CAPACITY, TOO!** G-E gives you over 50% more clothes capacity (10 pounds) than many other automatics; means you can do more at once... save splitting many washes into two loads. Water Saver Control lets you select water levels from 11 gallons for small washes up to full capacity for big washes.

Only G-E gives you so much for your money: 1. Filter-Flo washing system. 2. 3-Zone G-E Activator Washing Action. 3. Big Capacity. All this — plus famed G-E Dependability makes the G-E Automatic your soundest Washer investment.
