Coffee Marlow

(Makes 6 to 8 servings)
1 cup undiluted Carnation Evaporated Milk
1 cup strong coffee*
16 medium (about 1/4 pound) marshmallows
1/4 teaspoon salt
Chill Carnation in refrigerator tray until soft crystals form around edges of tray (about 20-25 minutes). Whip until very stiff (about 3 minutes). Heat marshmallows and coffee together over low heat or hot water until marshmallows are melted (5-8 minutes). Add salt and chill until slightly thickened. Fold in whipped Carnation. Spoon into refrigerator tray and freeze until firm (2-3 hours). *Instant or regular coffee may be used.
Remember, too, millions of coffee lovers "cream" their coffee with Carnation.
