Los Angeles — (U.P.) — UCLA crushed hapless Oregon State 38-0 Friday night as Bruin Coach Henry (Red) Sanders demonstrated to his former pupil and assistant, Beaver Coach Tommy Prothro how the single wing should be employed.

Except for the fourth period, UCLA struck to the ground and employed running plays to score in every period of the game played before 57,664 fans in Memorial Coliseum.

Starting UCLA tailback Sam Brown scored twice and sparked the Bruins to a third touchdown. Passing sensation Ronnie Knox opened an aerial attack in the final period, completing five passes that included a touchdown throw to fullback Doug Peters for 11 yards.

### Other Touchdowns

In addition to Brown's two touchdowns and Peters' one, the other UCLA touchdowns were scored by Bob Davenport, Gerrh McDougall, and Pete O'Garro. The Bruins converted successfully only twice.

UCLA obviously had too much speed, defensive and bench strength for the Beavers. Oregon State penetrated into Bruin territory only once during the entire game. Otherwise, the Beavers stayed in the hole, mostly because of their own erratic kicking. They frequently kicked on third down and their running attack never got rolling.

### Beaver Passing

Oregon State ran up 80 yards passing to UCLA's 71, but the Bruins scored twice in the air and Knox made 56 of his team's aerial yardage on his fourth pe-

## Sports Club Gets Rights For Hunting

The Lumberjacks' Sportsmen club, an organization of Medford Corporation employees, has secured exclusive hunting rights to a large area in the Agate desert and along the Rogue river, it was reported last week.

An agreement with Dean Owens, owner of the property, has been worked out, and the area will be posted with exclusive hunting right signs during bird season. Duck blinds and other improvements including low dams to create three ponds, have been provided, and members report the area is on a "natural flyway" from the river.

### 65 Members

The 65 members of the non-profit group are pledged to promote safe hunting practices, and to work for good will with owners of property where hunting is good, and to contract for hunting and fishing areas.

Business and social meetings, including a couple of picnics, a watermelon feed, showing wildlife slides of Oregon, the Northwest and Alaska by William Smith and C. C. Rowan of Medford, and other gatherings, have been held during the summer.

## COP Tigers Hand Idaho 20-0 Defeat

Moscow, Idaho — (U.P.) — College of Pacific's potent Tigers, stymied on the ground by Idaho's hard fighting line, took to the air Saturday to score a 20-0 football victory over the Vandals before 8,500 rained-out fans.

The COP victory was sparked by Quarterback Bill Jacobs who passed for one touchdown and intercepted an Idaho pass to set up another. The third tally came on a pass by substitute quarterback Junior Reynolds.

Sharing the spotlight was A. D. Williams, the big College of Pacific end who was the prime passing target. He scored the first touchdown, then lateraled for the second score after nabbing another aerial.

Idaho was never able to threaten seriously except for a brief spurge after the second half kickoff, which saw the Vandals penetrate to the Pacific 20 where they lost the ball on downs. The first half was a defensive battle featured by crisp tackling and blocking by both teams.

### The 10 Commandments of Safety

- 1 Treat every gun with the respect due a loaded gun. This is the first rule of gun safety.
  - 2 Guns carried into camp or home, or when otherwise not in use, must always be unloaded, and taken down or have actions open; guns always should be carried in cases to the shooting area.
  - 3 Always be sure barrel and action are clear of obstructions, and that you have only ammunition of the proper size for the gun you are carrying. Remove oil and grease from chamber before firing.
  - 4 Always carry your gun so that you can control the direction of the muzzle, even if you stumble; keep the safety on until you are ready to shoot.
  - 5 Be sure of your target before you pull the trigger; know the identifying features of the game you intend to hunt.
  - 6 Never point a gun at anything you do not want to shoot; avoid all horseplay while handling a gun.
  - 7 Unattended guns should be unloaded; guns and ammunition should be stored separately beyond reach of children and careless adults.
  - 8 Never climb a tree or fence or jump a ditch with a loaded gun; never pull a gun toward you by the muzzle.
  - 9 Never shoot a bullet at a flat, hard surface or the surface of water; when at target practice, be sure your back stop is adequate.
  - 10 Avoid alcoholic drinks before or during shooting.

## Yankees Start On Orient Trip; Stengel To Make Plans For '56

New York — (U.P.) — The New York Yankees set out Saturday on the first leg of a trip to the Orient which Manager Casey Stengel says "should help me a lot in making plans for 1956."

The party of 64 players, club executives and wives, was scheduled to fly to San Francisco and then depart for Honolulu. After five games in Honolulu the main body of the squad will go on to Manila and Japan.

"I'm going to play Billy Martin at shortstop," Stengel said before the departure. "We had a lot of trouble at shortstop this year and I want to find out whether Martin can play it for us next season."

## Moore Passes Physical Exam

San Diego, Calif. — (U.P.) — Archie Moore, banned from boxing in California because of a suspicion of a heart ailment, has passed a referee's physical examination which will lead to his being reinstated as a boxer.

Moore referred one of the top preliminary bouts on last night's card at Hollywood Legion stadium. The light heavyweight champion from San Diego was examined Friday by Dr. Winston Hall on his application for a license to referee at the Legion. Dr. Hall said Moore's heart appeared perfectly normal.

The examination Moore passed to referee is the same one given for a license to box and by passing the test he qualified to fight again in California.

## Olson-Robinson To Sign For Bout

Chicago — (U.P.) — Middleweight Champion Carl (Bobo) Olson and challenger Ray (Sugar) Robinson will sign contracts for their Nov. 4 title bout Friday, Secretary Truman Gibson of the International Boxing Club has announced.

Olson will train at a Near-North Side hotel where a ring will be installed in a converted ballroom. He lived in the hotel previously when training for his bout here with Kid Gavilan. Their meeting will be the first title bout in the Chicago Stadium since April, 1954, when Olson beat Gavilan.

## Webfoots Fumble Way To 13-6 Loss To Colorado Buffs

Eugene, Ore. — (U.P.) — An alert Colorado team, taking advantage of eight Oregon fumbles, drove to two first half touchdowns to defeat the Webfoots, 13-6, on muddy Hayward field Saturday in a regionally-televised intersectional football game before 12,500 fans.

Colorado grabbed six Oregon fumbles to end three touchdown drives and convert one of them into the first touchdown of the game.

Oregon's speedy backs, led by Dick James and Jim Shanley, gained 196 yards on the ground and added 170 passing to make their total for the afternoon 366, nearly double the 199 total the Buffs picked up on the ground and in the air.

**Fumble Early**  
The parade of fumbles started on Oregon's first scrimmage play of the game when Shanley dropped the ball on his own 30 and Don Karnosak grabbed the ball for the first of four times during the game. It was just one play later when Homer Jenkins circled right end and cut back to the middle to score standing up. He missed the conversion.

The Webfoots came right back and drove to the Colorado three, with Tom Crabtree's 40-yard pass to James the big play. A fumble by Jack Morris stopped the drive.

The Webfoots finally scored on the first play of the second period when Shanley, using a fine block by Morris, ran eight yards inside left end to tally. Morris missed the conversion. The steady running of James set up this drive.

**Winning Touchdown**  
Colorado took a short kickoff and drove 57 yards in 15 plays

## Eagle Point Tops Henley Team 19-13

Eagle Point — Eagle Point high's gridders blasted back into the victory column Friday afternoon by trimming Henley 19 to 13 at Henley.

The Eagles ran up a 19 to 0 advantage before the third quarter was over but were slowed offensively by fumbles and heavy penalties in the second half.

Jack Greb, Jack Bunker and Ron Nelson scored on long runs for Eagle Point as the Jackson county club led 6 to 0 at the half and 19 to 6 after three stanzas.

Greb shot off tackle for 85 yards in the second quarter for the Eagles' first TD. The conversion run failed. In the third quarter Jack Bunker romped 27 yards, also off tackle for the second score and Greb ran the bonus point. Nelson in the same canto scooped up a Henley fumble on the Hornet 43 and ran to the goal. The conversion try failed.

Henley tallied in the third quarter on 45-yard run on a reverse and in the final panel on a 35-yard pass play.

Jim Bunker, sophomore guard, played a strong defensive game for the Eagles.

## BROWN WINS, 7-0

## Cougars, Cal Battle To 20-20 Tie

Berkeley, Calif. — (U.P.) — Washington State and the University of California, a couple of the Pacific coast conferences' 1955 weak sisters, parlayed a battle of fumbles, penalties and pass interceptions into a 20-20 tie Saturday before 33,000 fans in Memorial stadium.

In a contest of miscues the underdog Cougars led most of the way. It wasn't until three minutes before the end of the game that Cal was able to pull into a tie.

Before that time, California fumbled seven times and lost the ball to the Cougars four times, twice setting up touchdowns. Washington State fumbled five times and lost the ball to Cal three times.

It was a moral victory for a Cougar squad which has lost three straight this year and has been defeated by the Golden Bears every year since 1945—when they also tied.
