ROGUE RIVER School Test Program Held

Rogue River—Mrs. B. Kearns, first grade teacher in Rogue River school, was chosen as the school's representative to administer a testing program sponsored by a company's research department, designed to survey arithmetic meaning comprehension pupils. Norms will be derived through results of the nationwide programs. All Jackson county second and third grades participated.

The Otis quick scoring mental maturity test was also given by Mrs. Kearns. Both tests were completed in 2½ days and were conducted on a time schedule. More than 100 students took the tests and the final scores will be sent in by Oct. 21.

This is the third time the company has asked Jackson county to cooperate in establishing nationwide test standards.

William Hunter, vice-principal, in charge of student activities is in Salem to attend a two-day conference of the Secondary School Principals Association.

Mrs. Kearns, Walter Perry and Supt. John B. Harr were in Medford last week for a conference

at the office of county school superintendent to discuss organizational work and the formation of tentative plans for next years school activities. According to Harr, the music department here is now organized on a working schedule after getting off to a slow start due to a large number of the lead band players being on the football team.

The popular high school band made its first appearance at the Homecoming game last Friday night when the Chiefs won over Jacksonville at Rogue River. A game is booked for Oct. 14 at Phoenix. The next home game will be with Illinois Valley, Nov. 11 in the afternoon.

Mrs. Reed Carter substituted for Mrs. James Beck, first grade teacher, and Mrs. A. P. Klomhaus for Mrs. Eugen Coda, fourth grade teacher, last Thursday.

Mrs. C. A. Weston of Pleasant Creek assisted with arrangements at a dinner honoring the past high priests of Royal Arch Masons held in the Masonic temple in Grants Pass Oct. 6. Guest entertainers were Mrs. Clint Hawkins Jr., soloist, who presented a group of three songs, and students of the Esther Mars Dance studio. Mrs. Hawkins was accompanied by Miss Marilyn Smith, pianist.

Mrs. Ted Hopkins, department president of Veterans of Foreign Wars auxiliary, returned Monday from Kansas City, Mo., where she attended a meeting Oct. 6, 7 and 8, called by the national VFW auxiliary president.

According to Mayor Phil Engle, the city council is still seeking "room and board" for any persons needing jail service from Rogue River. Councilmen Harold Saunders and Robert deArmond were appointed to look into the possibility of securing the use of Jackson county jail, after being turned down by Josephine county. The city's share of the Booster club-sponsored dances in the park was \$800. New stop signs have been installed at Oak and First sts. and at Third and Broadway. The regular meeting of the city council is the first Tuesday in each month.

Attorney Peter Andre, representing Turnpseed, said that his client did not see Dean's auto when he made a right turn onto the highway and into the path of the speeding sports car.

The jury ruled the death accidental with no criminal intent.

Seizure Order Ends St. Louis Bus Strike

St. Louis — (U.P.) — Strike leaders bowed to a state seizure order and promised they would get St. Louis' buses and streetcars rolling again today.

The grudging agreement ended a day-and-a-half transportation paralysis for the 250,000 persons who depend on public transit in the area.

Arthur E. East, president of the AFL Transit Union, said the strikers were complying "under protest" to Gov. Phil M. Donnelly's seizure order. He also served notice that they will challenge the validity of the state seizure law.

But, acting as "law-abiding citizens," East and other union leaders called a mass meeting to issue the back-to-work order.

Oregon State College Will Student Fund

Corvallis — (U.P.) — Mrs. Nellie A. Shaver of Portland has presented Oregon State college with \$20,000 to be loaned to students in financial need who want to continue their education.

College President Dr. A. L. Strand said the fund was made in the memory of Mrs. Shaver's husband, Capt. Delmer Shaver, and her son, James, who was drowned in 1926 while a senior in logging engineering at OSC.
