

Eagle Point Plays Talent This Evening

Eagle Point—Eagle Point high will be host to Talent this evening in a non-league football fracas.

The Eagles will gun for a win after losing to the Bulldogs for the last two years. Particular objective of the EP eleven will be to prevent a recurrence of last year's outcome. Talent won the tangle 20 to 19 after trailing 19 to 0.

Coach Stan Smith of the Eagles indicated that a lack of spirit has been pestering his club. There's been an effort, therefore, to build up enthusiasm. And at the last EP practice on Friday some results were in evidence.

Well Rested
Eagle Point hasn't seen action since beating Henley 19 to 13 on October 7 and is well rested and in good physical shape for the battle. Talent, on the other hand, played last Thursday, blanking Jacksonville 20 to 0.

Possible starters for Eagle Point are Norm Hooper and Ron Nelson, ends; Roy Reazan and Dean Tibbets, tackles; Jim Bunker and Dick Wallace, guards; Larry Doderhoff, center; Gale Friend, quarterback; John Bunker or Adrian Elrod, left half; Errol Tresham, right half, and Jack Greb, fullback.

Game time is 8 p.m.

Forty-Niner Club Ready To Show Fans At Home

Detroit, Mich.—(U.P.)—The San Francisco Forty-Niners headed for home today, ready to show the fans they've found the stride that could bring them the divisional title in the National Football League.

The reason for their enthusiasm was a 27-24 victory over the Detroit Lions before 51,438 rain-drenched fans in Briggs Stadium yesterday. It was the second win of the season for the team. It prompted Detroit Coach Buddy Parker to say:

"I think the Forty Niners are going to win it in the division with the luck they're having."

Strader Proud of Team
Coach Red Strader thought they had. While the Forty Niners shouted jubilantly in the dressing room after the game, he said the team was "tremendous in the clutch."

"What I liked most of all about them was that they didn't lose their poise, even when they were 18 points behind," he said. "We had plenty of bad breaks and it was an uphill fight. They showed real caliber playing above their misfortunes on the field. I'm certainly proud of them."

Lederman Seeks Reinstatement

Seattle, Wash.—(U.P.)—Sandy Lederman, Washington's star passer of two seasons ago, today sought to be taken back on the squad in the wake of a dispute with Coach Johnny Cherberg which ended with the southpaw being told to turn in his suit last Friday.

"I said a lot of things I shouldn't have," Lederman said yesterday. "I'm asking the coach to take me back so I can start all over and try to make the traveling squad."

Lederman had a great year as a sophomore with the Huskies in 1953 but broke his leg early last season and was unable to push Steve Roake out of the starting quarterback spot this year.

Lederman, declaring that his dismissal came because he was "burned up," added "I've a lot of pride and was disappointed that I wasn't playing more. I don't want to go into any public discussion of my situation."

College of Pacific Trips Oregon Stater Eleven 13-7

Corvallis —(U.P.)— Coach Tommy Prothro today began reading his Oregon State football team for Saturday's homecoming game against Washington State here with hopes that injured regular Norm Thiel and Howard Buttgenbach will be ready for duty.

The two linemen sat out last Saturday night's 13-7 loss to College of Pacific as the Stockton, Calif., club scored two second half touchdowns.

Some 22,500 fans, sitting in ideal night football weather, saw the host Tigers score their third consecutive victory. After losing to Stanford and Purdue, COP has now defeated, in order, Cincinnati, Idaho and Oregon State.

Trailing 7-0 at the intermission, Coach Jack (Moose) Myers' young team came back to take the ball on the second exchange of downs and move 29 yards—all on the ground—in eight plays to get back in the ball game.

Junior Reynosa, a junior college transfer, scored the touchdown on a one-yard quarterback sneak. And Ken Swearingen, whose 36-yard punt rumbled set up the touchdown, booted the

conversion. Swanson Tallies
Midway in the final period, COP took over on its own 28. From there it moved to a score in 15 plays with fullback Lynn Swanson going off-tackle two yards for the touchdown. This came with three minutes and 20 seconds left in the game.

Oregon State's sensational sophomore tailback Joe Francis then tried to get his ball club back in the game with a series of desperation passes. All fell incomplete and COP took over on Oregon State's 33 yard line with less than a minute to play.

That was the ball game. After battling evenly for the first 29 minutes and 45 seconds, Oregon State went into the lead. With 15 seconds remaining, Francis threw a 14-yard pass to Nick Mason who was standing in the end zone. Sam Wesley converted, giving OSC its 7-0 intermission advantage.

COP Quarterback Reynosa passed only six times during the evening, completing three. The Tigers' game was an unspectacular land affair which saw Swearingen, who weighs 165, and Dewey Tompkins, who tips in at 148, alternating off left and right guard most of the evening.

Washington, Indians Vie

By SCOTT BAILLIE
United Press Staff Writer
It's Washington against Stanford at Seattle this week in a tangle of unpredictable PCC football teams which could steal the show on the coast even if both squads did lose in their last outings.

The Indians unleashed an amazing second half comeback against seventh-ranked UCLA last Saturday before knocking under, 21-13, to a Bruin hoard which did all its scoring in the first period and seemed destined to match last year's 72-0 slaughter.

Bayler knocked Washington from its undefeated perch with a 13-7 triumph but the Huskies remained tied with UCLA for first place in the Pacific Coast conference. Each as a 3-0 league record.

UCLA will meet an Iowa team which was shaken up somewhat

itself by being tied to the last minute by Purdue, 20-20. Southern California takes on unhappy Californiar and Washington State plays Oregon State in two other Pacific Coast conference games. Oregon plays Arizona next Saturday night in Tucson.

Jim Bryan Cops Big Car Mantle

Sacramento, Calif.—(U.P.)— Jimmy Bryan, of Phoenix, Ariz., made the most of opponents' motor trouble and a crackup yesterday to win the National Championship AAA big car race for the third year in a row.

Bryan went from fourth to first in the last 18 laps of the 100-mile race at the state fairgrounds one-mile dirt track. His time was one hour, 9.36 and his average speed was 82.6 miles per hour.

Johnny Thomson, of East Springfield, Mass., took second and Bob Sweikert, Speedway City, Ind., last year's Indianapolis 500-mile winner, was third.

P. Anderson Keeps Title; Sets Record

Munich, Germany —(U.P.)— Paul Anderson, the 22-year-old Toccoa, Ga., Hercules, kept the "strongest man in the world" title in the U. S. today even though Russia won the international weight-lifting crown for the second straight year.

Anderson set a new world record by lifting a total of 1,127½ pounds in the heavy-weight division Sunday but even with that victory, the U. S. won only three gold medals while the Soviets copied four.

The other two American winners were Tommy Kono of Sacramento, Calif., who won the light heavyweight title by lifting 957 pounds, and Pete George of Akron, O., who captured the middleweight crown by lifting a total of 891 pounds.

Bradford Second
By lifting a world record 408 pounds in the two arm press, 319 pounds in the snatch and 400½ pounds in the clean and jerk, the 342-pound Anderson erased the previous world record total of 1,072 pounds lifted by Norbert Shemansky of Detroit, the 1954 tilist who did not compete this year.

Jim Brodford of York, Pa., was runnerup to Anderson in the heavyweight class with a total of 1,045 pounds lifted.

The Russians, realizing they had no one to compete with Anderson, did not enter the competition in the heavyweight division, while the Americans did not compete in the featherweight and lightweight classes.

Nashua Records On-Year Mark

New York —(U.P.)—Nashua, with a single season earning record behind him, heads for a brief rest at the Belair Farm in Maryland soon and won't resume his assault on Citation's all-time earnings record until next year.

The best of the current three-year-olds, who surpassed Citation's single season earnings mark by winning the gold cup at rain-drenched Belmont Park Saturday, will leave for the Belair Farm in two weeks and probably won't make his next start until the \$100,000 Widener Handicap at Hialeah Park next January.

Boros Leads Golf Money Winners

Chicago —(U.P.)—Julius Boros was a cinch to win the most money among 1955 professional golfers, statistics released by the Professional Golfers' association revealed today.

Boros, winner of the \$50,000 Tam O'Shanter "world" tournament, led the list of money winners with \$61,121.55, well ahead of Cary Middlecoff's second place earnings of \$39,567.27.

There are only four major events remaining on the 1955 schedule: the Sanford Open Invitational at Sanford, Fla., Dec. 14-18; Havana Invitational, Dec. 14-18; and the La Gorce Pro-Amateur at Mimi Beach, Dec. 6. Middlecoff would have to sweep all four tournaments while Boros remained out of the money to even have a chance of taking over top money rank.

Cincinnati —(U.P.)—The Cincinnati Redlegs called up Charlie Rabe, promising southpaw pitcher, from Seattle of the Pacific Coast League last night. Rabe had a 21-7 record with Columbia of the Sally League this past season and was promoted to Seattle.

C of I Tops Willamette; Badgers Win

By UNITED PRESS
Willamette University footballers didn't mean to, but they made it a happy homecoming on the College of Idaho campus in Caldwell Saturday night by bowing to the Coyotes 20-13.

It was only the seventh time in 21 starts against the Salem team that the Coyotes have emerged victorious.

The see-saw contest was finally decided midway in the fourth quarter with a two-yard plunge by Idaho Fullback Gary Collins.

At Forest Grove Saturday night, the Pacific Badgers rode two first half touchdowns to a 14-7 non-league win over Portland State.

A five-yard drive by Duane Baker was good for Pacific's first touchdown and a one-yard sprint by Larry Gehrts added the clincher. Both teams were strong defensively with the Badgers racking up just 66 yards on the ground and the staters 67.

Wolves Rally

Oregon College of Education came from behind with a fourth period TD to edge Eastern Oregon College 20-19 at Monmouth. The victory gave OCE a perfect 2-0 Oregon Collegiate conference record.

The Wolves overcame a 19-14 deficit going into the last quarter by driving hard with Guard Paul Riley galloping 25 yards for the score on a trick play.

In McMinnville, the Linfield Wildcats came close to knocking over a strong Seattle Rambler but lost out 14-13 on a try for point.

Oregon Tech absorbed a 50-0 drubbing from Boise JC in Klamath Falls with a strong Boise eleven piling up 25 points in the fourth period.

Decomposed Body Found in Columbia

Ednaco, Wash.—(U.P.)—Police today were attempting to identify a badly decomposed body of a young man found last Saturday on Sand island near the mouth of the Columbia river.

Pacific County Deputy Sheriff George Maltman said that the body probably was that of a fisherman. Three men are still missing from Columbia river salmon derby drownings, but Maltman said the man's clothing did not match that worn by the fishermen.

The body was of a young man wearing khaki pants, a forest green timber cruise jacket, blue cadet shoes with foam rubber soles and argyle socks. He was brown-haired and about 5 feet 10 inches tall.

The longer potatoes are stored, the less mealy and the soggy they become.
