

Browns Retain Share Of Eastern Loop Lead

By EARL WRIGHT
Paul Brown and Otto Graham today credited savage play by the Cleveland Browns' defensive line with the 41-10 victory over the Green Bay Packers that affected the leadership in both divisions of the National Football league.

The key triumph Sunday at Cleveland enabled the champion Browns to remain tied with the surprising Pittsburgh Steelers for the Eastern division lead. It also helped the Los Angeles Rams take undisputed first place in the Western division. The Browns, Steelers and Rams have 4-1 records.

Los Angeles, Green Bay and the Baltimore Colts started the day tied for the Western lead. The Rams whipped the Detroit Lions, 24-13, and took the undisputed lead when Green Bay lost and the Washington Redskins upset Baltimore, 14-13. Green Bay and Baltimore now are second in the West with 3-2 marks.

Pittsburgh the Underdog
Pittsburgh was an underdog for the fifth straight time but edged the New York Giants, 19-17. In the other games, the Chicago Bears upset the San Francisco Forty-Niners, 34-23, and the Chicago Cardinals tied the Philadelphia Eagles, 24-24.

Coach Brown and Quarterback Graham praised their team's defensive line after it shackled Packer passer Tobin Rote before 51,842 Cleveland fans celebrating the champions' 10th anniversary in professional football.

Wildlife Expert Says Oregon's Game Officials Doing Good Job

Portland—(U.P.)—A top authority on fish and game administration says Oregon's State Game commission in general is doing a good to excellent job.

Dr. Ira N. Gabrielson, president of the Wildlife Management Institute of Washington, D.C., spent 10 days in Oregon last summer studying the commission's work. The commission released during the week end results of his survey.

Dr. Gabrielson, who made a similar survey in 1948, said the one major recommended change that has not been carried out is return of the enforcement of game and fish laws to the commission.

His report said that the commission "can never carry out a program comparable to those of the best departments until the law enforcement staff is an integral part of its operations."

Greenberg Withdraws Seal Offer

San Francisco—(U.P.)—The San Francisco Seals were in their normal situation today — all fouled up — while the Pacific Coast league waited to hear what kind of an offer the Milwaukee Braves had in mind for the shaky ball club.

A plainly-irked Hank Greenberg withdrew an offer on Saturday to take over the franchise claiming he had been fed a lot of "double talk" by the league which asked for more time to study his plan.

Greenberg, who apparently was a shoo-in to get the club during a Thursday night press conference, said then he was hoping for quick approval of his proposition to take the Seals on a forfeit basis and pay off its \$200,000 in debt when it began to make money.

He said he would put \$150,000 in the bank as working capital and have access to Cleveland's farm system for help.

"San Francisco baseball is in

a sorry mess and we offered a possible solution," Greenberg told the league would not act on his proposal until it meets Nov. 10 in Vancouver, B.C.
