

37 Gridiron Contingents Unblemished

New York—U.P.—Michigan, Maryland, Oklahoma and West Virginia were the only major survivors left today among 37 teams which remained on college football's unbeaten and untied list.

Navy and Holy Cross were among the nine perfect record teams which suffered their first blemish during the weekend. Notre Dame defeated Navy 21-7 and Syracuse routed Holy Cross 49-9.

Maryland leads the major college teams with seven victories while Michigan, Oklahoma and West Virginia each have reeled off six-straight triumphs this season.

The Perfect Record List

INDUSTRIAL LEAGUE
Although there was one clean sweep, and four three game victories, there was only one change in the standing in the Industrial League last week. By means of a three game victory over City Appliance, the Richfield Oil squad took over second place. Jim Smith's 598 took honors for high series, and his 234 was the high game for the evening.

Tommy Heath Named Pitof Of Sacramento Solon Club

Sacramento, Calif. — (U.P.) — Tommy Heath, who resigned as manager of the San Francisco Seals last week, has signed a one-year contract to manage the Sacramento Solons.

The Solons finished eighth and last in the Pacific Coast League race last season. The Seals finished sixth.

Heath, 42, succeeds Tony Freitas, who was fired last Thursday, along with Coach Dolph Camilli.

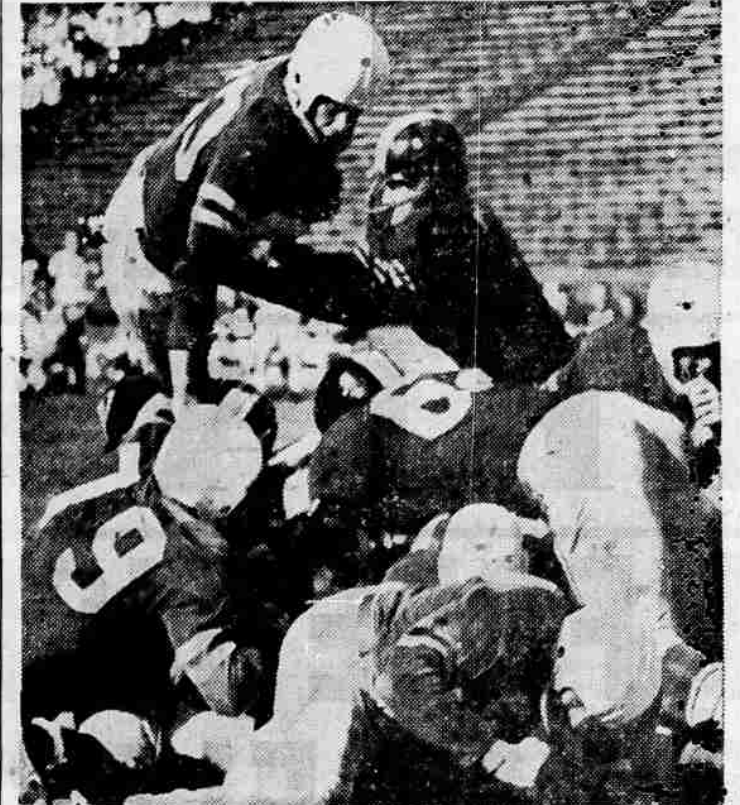

Solon President Fred David did not disclose the terms of Heath's contract. He said it in-

cludes a basic salary and a bonus clause "to go into effect if we make money."

"I think Tommy can do a good job with the Solons," David said. "He says he can whip our material into something, and we'll give him some help."

Heath was PCL "Manager of the Year" two years ago. He has been with the Seals since 1952. He started in professional baseball 23 years ago, managing clubs at Trenton, N. J., and Minneapolis, won the American Association pennant in 1950.

By UNITED PRESS
Oregon State, the cinderella kids of the West, had a chance on paper today to take over second place in the Pacific Coast Conference by next Saturday night—a thing unheard of before the season opened.

Coach Tommy Prothro's "new deal" Beavers will play hapless Idaho while Stanford gunk for an upset over Southern California, with whom State is tied for runner-up to potent UCLA. Both Southern California and Oregon State figured in upsets last weekend but only one of them came out alive.

Gophers Sack Troy
The most surprising was recorded in Minneapolis where underdog Minnesota sacked Troy in the snow, 25-19. It came up mud in Seattle as Oregon State clipped favored Washington 13-7 for the Beavers' fourth victory in six starts and third in conference play.

In other games, UCLA laced California 47-0 for the Bears third worst defeat in history, Oregon zoomed past Idaho 29-0, College of Pacific toppled Washington State 30-0 and Stanford outlasted San Jose State 34-18.

CIGAR BOWL OFF
Tampa, Fla. — (U.P.) — The Cigar Bowl football game, which has been part of the post-season college football show since 1947, will not be played this year. Dewey Goff, potentate of the Egypt Temple Shrine Club which sponsored the game for charity, announced the decision to drop the game today because steadily shrinking attendance has cut profits deeply.

SHOULDER SEPARATIONS
New York — (U.P.) — Tackle Dick Yelington and halfback Emlien Tunnel of the New York Giants suffered shoulder separations during Sunday's game against the Washington Redskins.

Gina Lollobrigida Has Nothing to Wear
London — (U.P.) — Gina Lollobrigida hoped for fair weather today so she can attend tonight's royal film performance and meet Queen Elizabeth.

"I haven't even a nightie to wear to bed," she moaned at London airport when she arrived from France Sunday night. In the rush to get planes out before the fog closed in her three trunks of clothing were left behind.

Portland Ranks First In Traffic Safety

Portland — (U.P.) — The National Safety Council today announced that Portland ranked first in traffic safety during September for cities in the 350,000-500,000 class.

Portland's death rate was 1.8 per 10,000 registered vehicles.

Seattle was rated first for cities with 500,000 - 750,000 population. Klamath Falls and Vancouver, Wash., were free of traffic fatalities during the first eight months of 1955.

GRANGE

Phloxia Cozma
A covered dish dinner was enjoyed at the last Grange meeting with the Quackenbushes, Hartleys and Mitchells in charge. The tables were decorated with chrysanthemums.

Following the dinner, Maude House, juvenile chairman, presented a program in which Jim Armon and Chief Officer Merriam showed the film "Shyness," after which Armon, juvenile Councillor from Medford gave a talk on shy children, stating that from his experience in child guidance there are as many or

more shy children who become delinquents, owing to pent up emotions, as there are among the more aggressive type. He also stressed the need for more understanding parents and teachers.

During the short business session discussions were held concerning repair of the kitchen and Master Lattie appointed brothers Poe, Lewin, Housh, and HEC chairman Ethel Carr to plan the work.

Friday, Nov. 4 is Booster night and Lecturer Olive Floyd has prepared an interesting program at 8 p.m., open to the public. All interested in Grange

word are invited. All Grange ladies are asked to bring a pie. Next Grange meeting will be the election of officers and a large attendance is desired. Sister Jean Densmore was reported very ill at her home.
