

### Civic Music Artists Announced

Miss Jean Fenn, soprano, will open the concert season here for Jackson County Civic Music association. Miss Fenn will appear here Tuesday, December 6, according to an announcement by Seth Bullis, chairman of the association. Miss Fenn has sang with both the San Francisco and Metropolitan Opera Companies.

Mr. Bullis also stated that the Civic Concert association has substituted the Zurich Little symphony for the Berliner Kammerorchester, the entire American tour of the latter group having been canceled. Arrangements for the tour of the Berlin musicians had been made through governmental officials of both countries and a letter from the music association stated that "insurmountable difficulties" had arisen which made the tour impossible.

It was said that the Zurich Little symphony, a group slightly larger than the Berliner Kammerorchester, has a comparable reputation in Europe and is widely known for its Decca recordings.

Other artists booked for the season here are Julian Olevsky, violinist; the Winged Victory chorus, a men's group, and the American Piano Trio. The trio has played here previously, receiving high praise from many in the audience.

### Stewing Chickens Good For Scallop Combination

New York — (U.P.) — Make a chicken and cheese scallop from stewing chickens which are in good supply.

Purchase either a frozen or fresh stewing chicken and cook in water to cover until the meat is tender. Remove the meat from the bones and refrigerate the broth for later use.

For the scallop, heat 2 cups of the diced, cooked chicken with 2 cups of cream of celery soup, 1/2 cup diced green pepper, and a dash of nutmeg.

Place 2 cups of toasted bread cubes in a buttered, 2-quart casserole and add the creamed chicken mixture. Sprinkle with 1/2 cup of crumbled blue cheese and top with more bread crumbs. Bake in a moderate oven (350 degrees) for 40 minutes, or until the sauce bubbles through the topping. This recipe makes a generous 6 servings.

Minneapolis — (U.P.) —Typically southern foods are increasingly popular in all parts of the country. And the frozen food industry can take the credit, says Helen Thackeray, consumer service specialist with the General Foods Corporation. Roll call was "an herb that grandmothers or mother used as a home remedy."

Mrs. Ostrander displayed horsetail grass; Mrs. John D. Holst, milkweed, both wide and narrow leaf; pearl everlasting and cattails, both wide and narrow leaf.

Canned goods are handled by many people, and are bound to gather dust on the grocer's shelves. This will prevent food contamination should a cover slip inside when opened.
