

OSC Scores Freely In 33-14 Victory

Corvallis, Ore. — (U.P.) — Oregon State, scoring as it wished and substituting freely, defeated Idaho, 33-14, at Parker Stadium here Saturday in a Pacific Coast Conference football game.

Some 9,000 fans, sitting in sunny weather, saw the Beavers run up their fourth conference victory. It was Idaho's fourth PCC loss. The victory kept alive—mathematically at least—Oregon State's chances of making the Rose Bowl. The Beavers have lost only to leading UCLA.

Young Tommy Prothro, in his first year as head coach at Oregon State, came up to the game Saturday with some of his most potent players on the injury list.

Grid Deaths Reach Four; 12 Last Year

Los Angeles — (U.P.) — Football deaths this season through October dropped to four, compared with 12 for the same period last year and 11 in 1953, the Injury and Fatality Committee of the American Football Coaches association has reported.

Chairman Floyd R. Eastwood said all four deaths noted in his mid-season report were due to head injuries, the most common type of severe injury in football. Three were high school players and one a college player, he said.

Dr. Eastwood said he could not say whether the sharp drop as attributable to incomplete reporting of deaths or more through coaching and committee recommendations. Dr. Eastwood, who is associate dean of students at Los Angeles State college, said the committee has advised more attention to warm-ups, equipment inspection and medical examinations.

The three high school fatalities were Steve Thompson, 17, Nashville, Tenn.; Max Campbell, 18, Danville, Va.; and Phil Lewis, 16, Sheridan, Ark. The college player was Ray Dennison, 26, Colorado A&M.

Rules Clinic for Basketball Will Start Tomorrow

Chicago — (U.P.) — The annual rules clinic for basketball officials, sponsored by the National Association of Collegiate Commissioners, will be held Monday and Tuesday at Northwestern University to promote more uniform officiating across the nation.

Bill Haarlow, supervisor of basketball officials for the Big Ten, will be clinic director and chairman, and the Northwestern basketball squad will provide play action.

Conferences who will be represented include the Atlantic Coast, Border, Eastern, Big Ten, Big Seven, Mountain States, Missouri Valley, Pacific Coast, Southern, Southeastern and Southwestern.

Vikes Down Rogue River

Rogue River — Myrtle Creek high defeated the Rogue River gridsters 19 to 0 Friday night.

The Chieftains of Rogue River threatened on at least four occasions in the game but fumbles and penalties wrecked their chances.

The Vikings tallied in the first quarter on a pass play, Bardwell to Searley. They got another on the half on a Marlin to Bardwell pass. Meshew ran the bonus for a 13 to 0 count. For the third TD Bardwell ran 52 yards in the fourth quarter.

Rogue River, down to the MC one-yard line once and inside the Viking 10 on three other tries, fumbled eight times and lost the ball on five muffs. The Chiefs suffered nine penalties of five yards each to none for Myrtle Creek.

It was a game filled with pass interceptions. Rogue River players caught six MC tosses with Harold More and John Bigman each getting two. The Vikings hauled in four RR throws.

Myrtle Creek had the edge in net yardage 290 to 178.

He used substitutes generously and they came through against a stubborn Idaho team.

Two in First Oregon State scored two touchdowns in the first and fourth quarters and one in the second. Idaho's two TD's came in the first and fourth periods.

The game was only a few minutes along when Beaver Dick Mason took an Idaho punt on his 20-yard-line and raced 80 yards for a touchdown.

Idaho retaliated a few minutes later when Frank Negri, substitute Oregon State back, fumbled and Ray Bittner recovered on the Oregon State 32. Five plays later Ron Braden crashed over for an Idaho touchdown.

Mason put Oregon State ahead to stay just before the first quarter ended by rolling around left end eight yards to the end zone. Blocked Punt

A blocked punt set up the Beavers' second quarter score. Cal Hilgenberg attempted to kick from the goal post, but Ron Daniels broke through and knocked the ball down. Tackle Dave Jesmer fell on it on the one-yard-line. Tom Berry plunged over for the touchdown.

The Vandals final score was on a one-yard plunge by Ray Bittner after Idaho had moved from the Oregon State 36.

Oregon State scored again in the fourth quarter with Berry packing the last yard. The Beavers wrapped it up on Westfall's 31-yard pass to Sam Wesley in the end zone.

Rosewall Wins Tennis Tourney

Brisbane, Australia — (U.P.) — Ken Rosewall, who last week turned down an offer to turn professional, won the first tournament of the Australian tennis season Saturday when he defeated young Ashley Cooper, 6-8, 6-4, 6-4, in the final of the Queensland championship.

Cooper, demonstrating a powerful service and an excellent all-around game, was impressive even in defeat. Australian observers speculated that he would make a fine Davis Cup doubles teammate for Lew Hoad. If Rex Hartwig turned professional.

Hartwig currently is considering an offer from American promoter Jack Kramer to turn pro. Both Rosewall and Hoad have rejected professional offers from Kramer.

MEET MR. NUTRIA

Las Tres Lagunas Only Purebred Strain in the World

Nutria are prolific breeders, raising from seven to eight kits per litter, and averaging five litters in two years. Nutria require no temperature controls, no air-conditioning, no close supervision. Nutria have a placid disposition. No damaging of one another's pelts, no destruction of the young. Nutria are ready to breed, through mating, at 6 months of age. Nutria are the only fur-bearing animals that are, apparently, immune to disease. Nutria have no obnoxious odors from body, nest-boxes or pens.

Oregon Purebred Nutria Associates, Inc. 1432 Hwy. 159 Grants Pass, Oregon Phone GR 6-6431 Joseph R. Burns, Manager

Warming Hut Open at Crater National Park

The warming hut at Crater Lake National park opened recently, and will remain open daily as long as travel to the park warrants the hut's service, park rangers have announced.

TO INSPECT STADIUM New York — (U.P.) — New York Giants' President Horace Stoneham, his son Pete, and Vice-President Charles Feeney will leave for Ciudad Trujillo, D. R., next week to inspect the city's new 18,000 seat sports stadium.

The officials will determine whether it may be feasible to book some exhibition baseball games there, possibly next spring.

Fanfare

By DICK JEWETT Mail Tribune Sports Editor

Medford high's football team has a whale of an assignment cut out for itself next week end when it travels to Coos Bay to meet Marshfield, Oregon's No. 1 ranked contingent in state A-1 quarter-finals. The Black Tornado has been surging stronger with every game but will have to be better than its previous best this season to upset the Golden Pirates. With Denny Baker running great, the high-riding Marshfield club looms tougher than the 1954 edition which twice defeated Medford.

CAME PRETTY CLOSE

It looked a bit odd when the press box statistics for net scrimmage yardage alone (322) exceeded the total net (321) figure of Official Statistician Virgil Swanson for Friday night's Medford-Grants Pass high football fracas. But the discrepancy isn't so bad as it appears. The Mail Tribune book indicated a total net of 328. Swanson was stepping off the yardage at the sidelines. To come within seven yards of the official count in judging by eye is doing o.k. Ben Casey, back shop man, keeps the scrimmage yardage for this department.

HOOP SEASON COMING

Hardly seems possible that basketball is just around the corner in Medford. The realization comes with the announcements of the Medford Independent Basketball League organizing and of the start of high school practice. The MIBL is having a meeting at 8 p.m. next Thursday at the YMCA. That night has been set as deadline for entry of teams. It is planned at that time to complete organization for the year.

CAGE RULE CHANGES

Fans will note a little change in basketball rules this season. The two-shot regulation for all personal fouls in the last three minutes has been eliminated. The five second rule on retaining possession of the ball in the front court will now apply to the dribble. Flagrant technical fouls will draw two shots and guilty players will be disqualified automatically.

Elimination of the two-shot rule means application of the one-bonus regulation for the entire 32 minutes of a game. Players fouled while shooting, nevertheless, still get their two tries. Under the 1955-56 rules a player cannot hold or dribble the ball longer than five seconds in the front court if the opposing team is making an effort to get it. The new plan does not prevent stalling, however. A team can control the ball by passing.

WORKS FOR ERSKINE

Ed McCullough, ex-Medford high athlete now attending Anderson college, Anderson, Ind., is an employee of Carl Erskine, star Brooklyn Dodger baseball pitcher. McCullough is working in Erskine's craft and hobby shop three or four days per week.

The pitcher has told the Medfordite that, if he wishes a chance to stay at Anderson and work next summer, he'll see to it that Ed gets a chance to play some baseball. That could be a chance to work into pro ball.

McCullough started the sec-

Thompson Favors Ball Bonus Rule

By CARL LUNDQUIST New York — (U.P.) — Fred Thompson, boss of Brooklyn's farm clubs, not only called for retention of baseball's bonus rule Saturday but urged that Commissioner Ford Frick enforce it more strictly.

"I'm very hopeful that the bonus rule as it now stands will be retained, even though I understand there is one amendment to be acted on at the winter meetings to throw it out altogether and several others that propose new types of bonus legislation," Thompson said.

He emphasized that the Brooklyn organization felt the bonus rule imposing restrictions on payment of large cash awards to untied sandlot youngsters "has done what it was intended to do."

Effective Brake "It is a good rule because it saves us from ourselves," he went on. "The restrictions have been a very effective brake on our enthusiasm. The clubs seldom now pay out bonus money except for youngsters who are so outstanding they are almost certain to be worth it."

ond game at quarterback for the Anderson grid club this fall but suffered a shoulder separation on the third play. A football, basketball and baseball player at Medford high, McCullough has branched into journalism in college and is assistant editor of his school paper.

REGRET EXPRESSED

A Prospect high Prospector headline states: ROGUE RIVER HIGH DEFEATS PROSPECT 21 TO 0. Following the headline is the notation: "Due to the failure of the reporter to turn in this story on the deadline we regret to say that no story for this game is available." The Mail Tribune sports department has been threatened with the same treatment.

DAVIES PICTURED

From Dick Strite's Highclimber column in the Eugene Register-Guard comes the information that a picture of the University of Arizona football team of 1930 in the Arizona-Oregon game program this fall included Buzz Davies of Medford. Davies, Strite points out, was considered one of the finest halfbacks in Border Conference history.

MORRIS A SHADOW

Marlowe Branagan in his Oregon Journal Tower Lights describes a 57-yard touchdown run by Jack Morris for University of Oregon in the Arizona scrape as the finest play of the game. The ex-Medford star was chased and matched for speed for only 10 yards by Clarence Anderson, the quarter-mile champion of the Border conference. Anderson gave up 10-yards from the goal. Morris was described as "a shadow with a golden helmet."

NO STRANGER

Jimmie James, member of the Phoenix high football squad, which played Coquille last night in the District 6 A-2 title mix, was no stranger to Coquille players. He attended school through the sixth grade with this year's edition of the Red Devils while his father was Coquille high school principal. His father, Ernest James, is now Phoenix school superintendent.

Bears Stun Washington In PCC 20-6

Berkeley, Calif. — (U.P.) — California's Golden Bears stunned favored Washington 20-6 behind the leadership of third string Quarterback Ralph Hoffman, Saturday.

The 20-year-old from Livermore, Calif., sparked Cal to its first Pacific Coast Conference victory of the season by driving the Bears 54 yards for a touchdown which put them ahead 13-6 late in the third period.

Hoffman led things in the fourth period when he intercepted a pass in Husky territory and four plays later passed five yards to Jim Carmichael for the touchdown.

It was a dismal windup for Washington which loomed as a gridiron power early this season after upsetting Minnesota and Southern California. Coach Johnny Cherberg's punchless Seattle club now has been held to one touchdown in each of its last five games.

Aside from their short scoring drive, the Huskies never penetrated any deeper than California's 31-yard line and spent a good part of the day trying to get out of their own territory.

GIEL IN ARMY

Winona, Minn. — (U.P.) — Paul Giel, 24-year-old former University of Minnesota football and baseball star who received a \$60,000 bonus to sign with the New York Giants in 1954, left here Friday to begin a two-year hitch in the Army. Giel lost four and won four for the Giants during the recently completed National League season.
