HOW YOU MAY SERVE

WELCOME THE VOLUNTEER WORKERS who are serving you. Subscribe to the BEST of your ability. It is not a question how little we can give but how much, in order to protect the lives and health of your friends and neighbors and, perhaps, some day your own.

NAMES THAT WILL LIVE!

Under this title in the public lobby of the hospital will be listed the memorials, the names of all who contributed any sum of money, and the volunteer workers of the money-raising campaign . . . all who make this new hospital possible . . . Their names will live! Be a Founder in order that future generations will know that you helped build this hospital.

Establish a Living Memorial

Your name or that of a loved one — wife, husband, mother, father, son or daughter, sister or brother — will be honored, and his or her memory perpetuated by this service rendered the community. Establish a memorial for yourself or your loved ones by making a really sacrificial gift. You and they will continue to live — year after year, you and they will live — active day and night, relieving human suffering — saving human lives.
