Confessed Slayer Of Woman To Face Additional Charges

San Francisco — (U.P.) — A 30-year-old ex-convict, who casually admitted the kidnap-slaying of a Kansas City, Mo., housewife, faced today still other charges of attempted murder, kidnaping, rape, burglary and car theft.

The suspect, Arthur Ross Brown, had vowed never to be taken alive. He was arrested yesterday without a struggle when FBI agents and police found him asleep in a stolen car with two loaded pistols at his feet.

An FBI agent testified at a bail hearing yesterday that the stocky, blond ex-convict admitted the kidnap-slaying of Wilma Allen, the attractive 34-year-old wife of a wealthy Kansas City automobile dealer last Aug. 4.

Held on Bond

U. S. Commissioner Joseph Karesh ordered Brown held on \$100,000 bond pending action by Kansas City authorities. He was held on a charge of transporting a stolen car across the state lines.

Mrs. Allen's nude body was found in a field 25 miles from Kansas City three days after she disappeared from a fashionable shopping area. She had been shot twice in the back of the head.

The FBI said Brown confessed he forced his way into Mrs. Allen's car and made her drive out of town where he killed her and dumped her body in a field. He drove the blood-spattered car back to Kansas City and abandoned it near the Union Station.

Intensive Police Hunt

The murder of Mrs. Allen, a mother of two boys, ages nine and eleven, touched off the most intensive Kansas City police hunt since the kidnap-slaying of Bobby Greenleaf in 1953.

Federal authorities said Brown was also wanted for investigation of burglary, attempted murder and assault in Sheridan, Wyo. — for the kidnaping of his own wife in Kansas City, and a rape, burglary in San Jose, Calif.

Nun Plans To Take Plea Before Pope

London — (U.P.) — A penniless nun planned today to appeal to the Pope against a British court's rejection of her claim for damages from her mother superior and a nursing home on the ground they falsely imprisoned her.

Sister Priscilla, 57, whose real name is Margaret McCann, said she had twice written Pope Pius XII but "I don't know if my letters ever got there."

Sister Priscilla charged that she had been assaulted and imprisoned by Mother Placidus, local superior of the Order of the Poor Sisters of Nazareth at Hammersmith.

She further charged that she was imprisoned and assaulted at St. Joseph's nursing home, whose trustees include Bernard Cardinal Griffin, Catholic Primate of England.

Search Continues For Newport Hunter

Newport, Ore. — (U.P.) — Search continued today for a 30-year-old hunter reported missing in the Kings Valley area since last Thursday.

The hunter was identified as Jerald Powe, who lives eight miles east of Toledo.

Benton County Sheriff, C. N. Lilly said a thorough search of the Kings Valley region showed no sign of Powe or his automobile. Lilly said he may have changed his mind and gone hunting somewhere else.
