Choose a Young 1955 U.S. Govt. Grade "A" Oven-ready TURKEY!

Serve the very finest

Quick freezing is the modern miracle that makes it possible for Safeway to bring you turkey at its best. Here's why:

The birds go into the freezer within an hour after being completely cleaned inside and out. There's not a chance for the meat to lose its "just-dressed" flavor. All the preparation, killing, cleaning, and freezing is done as one continuous operation and spick-and-span plants by skilled workers . . . and under U. S. Department of Agriculture supervision. Every step of the way—from selection of the birds from the country's finest flocks—to their display in our store—gentle care is taken to assure that you get a turkey that will eat sweet and juicy, right down to the last tender morsel.

19 to 22 lbs. 49^c
If yours is a large group, you'll want one of these large birds—guaranteed to be so tender and juicy as the smaller ones.

11 to 18 lbs. 57^c
Tender, young turkeys for the medium-sized family. These wide-breasted beauties are grown especially for good eating.

4 to 10 lbs. 63^c
These are the famed Belleville, white turkeys for the smaller family. Excellent for frying or roasting.

Safeway has a Turkey for you — All the way from 4 to 30 Pounds
