**Yes BEST When FRESHEST!**

That's why we buy from local flocks that we know were properly fed to produce flavor and texture necessary to eating pleasure.

**FRESHNESS FIRST ESSENTIAL**

That invisible ingredient "freshness" is really the key to eating pleasure. Looks are not enough.

**HOW WE GUARANTEE FRESHNESS**

Groceteria turkeys from local flocks are dressed daily—the New York dressed are pre-cooled and passed to our cooler for the next day's sales.

The eviscerated "ready for the oven" turkeys are also dressed daily and quick frozen at once—then passed to our self service freezer case where the freshness is locked in until the turkey is thawed for roasting. None were frozen elsewhere weeks or months ago. They are as fresh as turkeys can be.
