Chevrolet Trucks
 with NAPCO POWR-PAK
4-Wheel Drive

 For 1/2, 3/4, 1, 1 1/2, 2 Ton Chevrolet Trucks
 You can climb the steepest hills... wade through axle-deep mud, snow, or sand... carry big payloads over terrain where you'd never dreamed a truck could go... in any standard CHEVROLET Truck equipped with NAPCO POWR-PAK 4-Wheel Drive.
 Just a simple flip of a lever gives you surging power and traction in all 4 wheels. With this go-anywhere, do-anything truck, you don't even have to stop or de-clutch.
 And best of all, your POWR-PAK lasts many years. When you trade, simply remove it and re-install on your new CHEVROLET Truck. Since installation requires no frame cutting, it doesn't weaken the chassis or affect trade-in value of truck.
 We invite you to stop in and ask for a demonstration, because nothing we can say will ever convey the thrill of confidence you'll experience when you have your first ride in a CHEVROLET with POWR-PAK.
 Learn for yourself how it feels to soar up 70% slopes, and plow through snow or mud where lesser vehicles wouldn't have a chance.
 See it... drive it... and you'll buy.
 You'll buy because this is the only truly All-Purpose 4-Wheel Drive unit on the market.
 Ask us for demonstration.
