 * Mechanic's Diagnosis
 * Repair Done
 * Accident History

"That Mileage Is Correct"

"This car has only been driven 10,349 miles, and it's in perfect condition," says the previous owner in the Auto-Biography of this unusually nice 1955 PONTIAC DELUXE 4-DR. STATION WAGON. It has standard transmission, radio, heater, etc. The color, two-tone green. We think it is so nice that we \$795.00 will guar. it 100%.

"This Car Is The Best!"

"You won't find a better used car in the Rogue River Valley," says the previous owner in the Auto-Biography of this 1951 CHEVROLET BEL-AIR HARDTOP. It has only had one owner and one driver. It has never been abused, and is in excellent condition. It has standard transmission, radio, heater, etc. The color, two-tone blue and grey. \$945.00 Price.

"This Is An Excellent Buy!"

"I highly recommend it." These are the exact words of the previous owner of this outstanding 1950 BUICK SUPER, RIVIERA HARDTOP as found in the Auto-Biography on the window. He says "The motor is perfect. It doesn't burn a drop of oil." We absolutely agree. It is in wonderful condition, just immaculate. It shows the fine care it has had. \$895.00 Price.

"Motor Work 2 Months Ago!"

"About 2 months ago I had the engine worked on," says the previous owner in the Auto-Biography of this very nice 1949 PONTIAC CLUB COUPE. "I had the valves ground, motor tuned, and new universal. It's in very good shape. It burns very little oil and gets good gas mileage." This car is very clean. It is a solid black color and has lots of extras. It's a whole of a buy for \$495.00 Only.
