

O'Doul Inks Cap Contract

Vancouver, B.C.—(U.P.)—Lefty O'Doul, heading toward his 22nd straight season of managing Pacific Coast league ball clubs, went to work today to turn the erstwhile Oakland Oaks into a pennant contender for Vancouver's fans.

The 58-year-old slugger of National league fame arrived by plane here yesterday a few hours after he came to terms with C. L. (Brick) Laws, president of the Oakland club which was transferred into the dominion at the end of last season.

O'Doul, who managed the Oaks to a seventh place finish in his first year there last season, signed for a year at a salary believed to be around \$16,000.

Although the Oaks finished next to last this season, Laws said he thinks the team's recent tieup with the Baltimore Orioles will result in better baseball.

"Things will be a lot different next season," Laws said at the Providence hospital in Oakland where he is undergoing a check-up. "I don't expect we'll have two or three players coming back from last year's team."

O'Doul managed the San Francisco Seals for 17 years before taking over San Diego for three seasons.

Bob Baker To Go Against Valdes

Cleveland — (U.P.) — Big Bob Baker of Pittsburgh will take a million dollar gamble tonight in his heavyweight challenger's fight with lefty Nino Valdes of Cuba at the Cleveland arena.

Although already in position to press for a shot at the heavyweight crown, Baker asked for tonight's return TV-radio 10-rounder with Valdes "so's I can beat him impressively this time and clinch the title fight."

But an upset defeat by tall Nino, the 9-5 underdog, would blast Baker out of the running for Rocky Marciano's championship and the riches that go with it, for there's no contract for a return bout.

Willamette Nips Pilots in Extra

Salem — (U.P.) — Bill Turlay scored a field goal with only two seconds left in the overtime period last night to give Willamette a come-from-behind 61-60 basketball victory over Portland's Pilots here.

With 29 seconds left, Portland led 60-57 but sub Keith Driver scored for Willamette to make it 60-59. Then Turlay scored the game winning bucket.

Jack Scrivens of Portland led scorers with 19 while Vic Backlund hit 15 for Willamette.

Pacific Coast Conference Can Now Levy Heavy Fines

By HAL WOOD
San Francisco — (U.P.) — The Pacific Coast Conference set the stage today for heavy-scale fines for illegal recruiting activities with the lifting of the \$1000 maximum on penalties.

The conference voted yesterday in the wake of a \$1000 fine against UCLA for unbecoming proselytizing, to make future fines "appropriate" to the infraction.

"In the future, fines may be assessed in such amounts as the conference deems appropriate," H. P. Dick Everett of Washington, PCC spokesman, announced.

This apparently opens the way for more severe financial raps at schools recruiting outside the conference code.

Today, the directors are expected to take up the matter of a "living wage" for athletes.

Yesterday, the organization outlined a six-point program that it will offer to the NCAA on the handling of television for football games.

Mainly, the proposal asks for

More Control
more regional control, more regional games and fewer national "Game of the Week" programs in the West.

"We feel that the conference involved should have the say on whether a game should be blacked out in any certain area," said Al Masters, Stanford graduate manager and PCC television chairman.

In other business, the conference voted to crown a champion in football, baseball, basketball and track. There never has been an official champion in the past.

In the future, trophies will be given for team titles. Citations will also be given to athletes maintaining a "B" average; and plaques will be awarded to players making the All-Conference football team picked by the coaches.

Welsh Tops In Offense

New York — (U.P.) — George Welsh's gallant efforts weren't enough to provide Navy with a victory over Army this year but they earned the 164-pound Middle die quarterback the major college total offense crown.

Official figures released today by the National Collegiate Athletic Bureau revealed that the 185 yards Welsh gained against the Cadets gave him a season total of 1,348. That total was just 35 yards more than was gained by Art Luppino of Arizona.

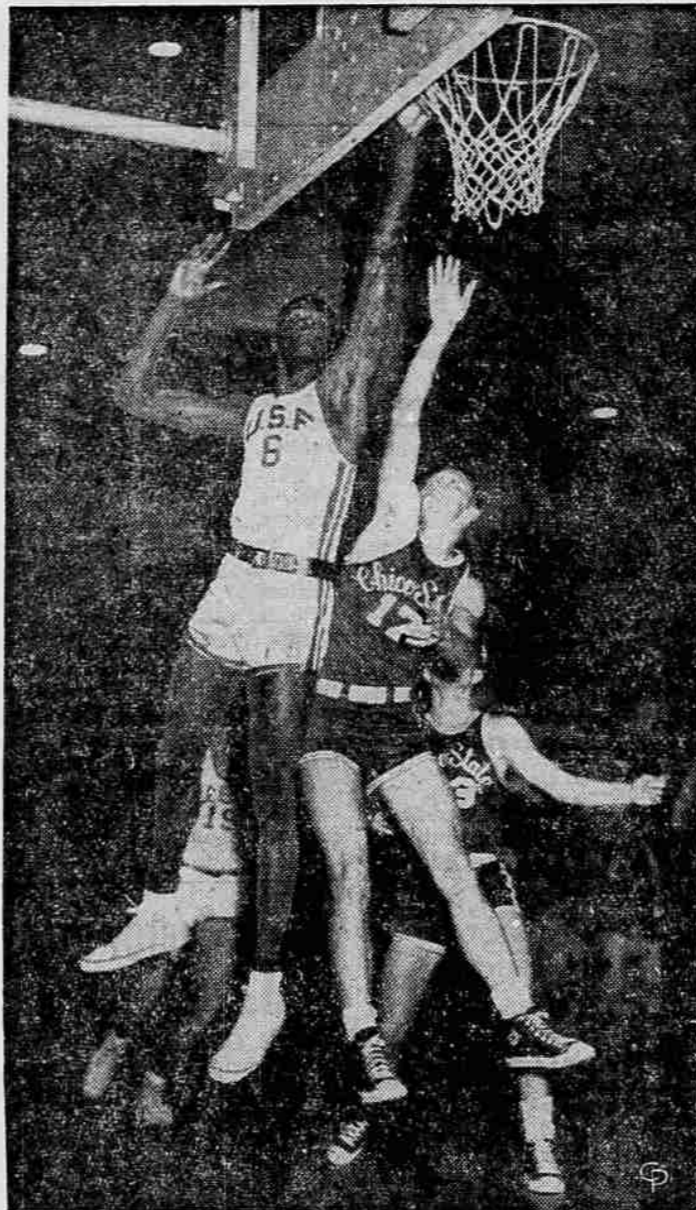

Jim Swing, Texas Christian's brilliant halfback, ranked third with 1,283 yards while Paul Hornung, Notre Dame's junior quarterback, was fourth with 1,215 yards.

Honus Wagner Services Will Be Held Friday

Pittsburgh — (U.P.) — Three generations of baseball fans today mourned the passing of John Peter (Honus) Wagner, the greatest shortstop of all time.

The 81-year-old "Flying Dutchman" of Pittsburgh Pirate fame died in his home in nearby Carnegie, Pa. Old Honus injured his hip in a fall last September and was bed-ridden the final days of his life.

Psychologist Cracks Video Quiz Show for Top Prize of \$64,000

New York — (U.P.) — Psychologist Joyce Brothers, 101-pound blonde boxing expert, with a heavyweight wallop, clobbered the clock and a seven-part question Tuesday night to win \$64,000 on a TV show.

The trim PH.D., bolstered by guest "expert" Col. Eddie Eagan and her mother's lucky charm, became the second contestant to romp off with the whole jackpot on "the \$64,000 question."

On Sept. 13, Marine Capt. Richard McCutchen also won \$64,000 by answering a difficult question on exotic foods.

Still Shaking
Mrs. Brothers, the author of a scientific paper on "Anxiety," said after the show: "I'm still shaking. I know now what individuals undergo in an anxiety experience."

"My mother sewed a lucky charm inside my dress — I couldn't possibly show it to you, I just wasn't taking any chances."

All told, the program was tapped for \$104,000 Tuesday night by three contestants, the largest loss by a single program in the history of TV.

Drunken Driver Passes Own Sentence

Chicago — (U.P.) — Fred J. Estrada, 20, on trial on charges of drunk driving was asked by Judge Joseph J. Butler "Do you know what they do to drunken drivers like you?"

"They get a year in the county jail," Estrada said. "You have just passed your own sentence," the judge said.

The location of the nesting grounds of the whooping crane, North America's rarest and tallest bird, is still a mystery despite intensive search by prominent biologists.
