

New PTA Has Session

The newly organized Jefferson Parent-Teacher association held its first regular meeting December 2. Mrs. Fred Simcox, president, introduced the board members as Mrs. Irvin Patten, budget, ways and means; Mrs. Jim Semple, membership; Mrs. C. F. Underwood, room representative; Mrs. John Vaughn, hospitality; Mrs. Elmer Bellack, program chairman and Mrs. E. H. Pesenti, chairman.

Mrs. Simcox introduced several interesting new ideas to the meeting. The feature item was a question box for all members to use. All complaints, ideas and suggestions concerning the teachers, meetings, officers, and projects are to be put in the box at the end of each meeting. Also, there is to be a ten minute buzz session at each meeting for an exchange of ideas.

At Friday's meeting, the teachers remained in their rooms for a half hour conference period with parents who had questions concerning their children's work. This was held prior to the meeting time and was so successful that it will be in effect at the remaining afternoon meetings for the year.

Group singing was held and all joined in the fun of "Yellow Rose of Texas" and "Smile." The refreshments, enhanced by Christmas decorations and seasonal cookies, were served by members of the board.
