

Envelopes From Foreign Countries On Display

A display of envelopes from several countries, including the Middle East, are on display in the post office lobby.

The exhibit was displayed by Harry and David of Bear Creek orchards, and are envelopes in which Christmas orders were received.

Countries from which envelopes came include Kenya, Afri-

ca, India, other Middle Eastern countries as well as South American countries.

Olympic National Park, a vast preserve in the heart of the isolated Olympic Peninsula of Washington State, is the only United States park that holds both snow-capped mountains and ocean beaches.
