MEN PAST 40

Troubled with GETTING UP NIGHTS Pains in BACK, HIPS, LEGS Tiredness, LOSS OF VIGOR

If you are a victim of these symptoms then your troubles may be traced to Glandular Inflammation. Glandular Inflammation is a constitutional disease and medicines that give temporary relief will not remove the causes of your troubles.

Neglect of Glandular Inflammation often leads to premature senility, and incurable malignancy.

The past year men from 1,000 communities have been successfully treated here at the Excelsior Institute. They have found soothing relief and a new zest in life.

The Excelsior Institute, devoted to the treatment of diseases peculiar to older men by NON-SURGICAL Methods, has a New FREE BOOK that tells how these troubles may be corrected by proven Non-Surgical treatments. This book may prove of utmost importance in your life. No obligation. Address

Excelsior Institute, Dept. 7111, Excelsior Springs, Missouri

GOOD SHOT

Westport, Conn. — (U.P.) — It took courage and a good aim for Patrolman Winfield Allen to free an animal whose head was trapped in a mayonaise jar. Allen fired one shot from 10 feet away and shattered the bottle freeing a skunk. There was no "return fire."

When Will We Learn That Many Criminals Are Criminals for Life?

The other day I saw in the paper that the California Supreme Court had upheld the death sentence of a John Richard Jensen, 29, for his aimless kidnaping and shooting of a Marine sergeant. That there was something very wrong Jensen was shown by the fact that at the age of 14, he killed a playmate. It seemed obvious then that he was a sort of human mad dog who would always be dangerous to his fellows.

Because he was young, and no one wanted to hang him or send him to a gas chamber, it appears that he spent several years in state mental institutions where he did not belong and where he probably behaved normally enough. According to ordinary standards he was sane, and the State hospital was no place for him. Because mental institutions are not built and equipped to hold dangerous and clever criminals, on three occasions the man escaped. Finally, when (according to the papers) he was "on leave" from one of the State hospitals, he shot the Marine. The chances are that at the time he was paroled from the hospital it was because an old building, originally designed to hold perhaps 300 persons, was housing twice the number.

Today's Idea to Punish

It should long have been obvious to everyone that some day our whole penal system will be re-designed, and a little sense put into our attitude toward the person who, all his days, will be a criminal because he was not made to fit into the society about him. Today, as I understand it, our idea is to punish and, as Gilbert and Sullivan said, to see to it that the "punishment fits the crime." If a man who has never worked but all his life has been a burglar or stick-up man steals $10 he is supposed to go to jail for a few weeks, while if he steels $10,000 he may go to jail for five years. This is silly.

A while ago the idea dawned on some legislators that we should think first of protecting the public, and only second of punishing the criminals for his latest crime, or usually, the one out of scores that he happened to get caught at or could not "fix." As a result of this thinking, at last, a man on his third conviction as an "habitual criminal" can be put away for a long time.

But still, as a physician who has had much experience with unfortunate human variants, I feel we are stupid in our handling of those thousands of professional criminals whose whole life is spent in robbing people. Why can't we stop trying just to punish these persons for their most recent crime?

The Russians are hinting that they are getting ready to blast off to the moon just any day now.

This means that they're going to beat us to it if we don't get off the ball.

Douglas Fir Region Hard Hit By Cold

Portland — (U.P.) —The mid-November cold snap in the Pacific Northwest coast the Douglas fir region's forest economy millions of dollars in lost and damaged young trees, desiccation of seed cones for next year's seed crop and loss of food-supplying fir needles to trees, officials of the Industrial Forestry Association said today.

W. D. Hagenstein, managing director of the association, predicted that 1956 may witness a seed cone failure for Douglas fir because of the cold damage to the pre-formed flowers.

Pickin' Pears — News and Notes From Camp White

By BILL HURN

Elks night for Ashland 944, BPOE at Camp White brought Emil Kroeger, district chairman of the Elks National Service commission. Ladies of the group served coffee and do-nuts after a game session.

The VFW auxiliary, headed by Mrs. Leila Birch of Shady Cove as chairwoman, had members of Medford and Grants Pass groups for a ward visitation on the upper floors of sections 1 and A Saturday afternoon. A cornucopia spread was made to the men while table games were held for others at recreation center. Cigarettes were distributed to all.

Gray Ladies of Red Cross have set up a wrapping-ready-to-mail package counter for Camp Whiters' Christmas parcels. It was with great surprise and joy that the older men greeted Mrs. Francis Dean, who has charge of the service. Mrs. Dean as the former Frances Simcox had been one of the regular staff with Gray Ladies before her marriage..

The Monday night Christmas dance, being announced at the "Dance of The Year" to be held by VFW Aux. is to be formal, semi-formal, or 'as you are' with an expectancy of a record turnout. Camp White's orchestra has been engaged and should be well warmed up and full toned by dance time. They are playing at a dinner for a Shrine party at Rogue Valley Country club from 5 p.m. until time to return for the Camp White dance.

Sunday afternoon the Apostolic Faith orchestra and mixed choir of 55 gave a sacred musical offering of "The Christmas Story" under the direction of Donald W. Wolfe, the church's director of music. The program of 12 numbers was smoothly coordinated from the orchestral processional, through choruses, both male and mixed. A mixed trio and use of 7 solos by soloists also participated. Interspersed were Scriptural passages which carried the motif of Annunciation through to the Revelation Reincarnation given by the Rev. Clifford Freisen.

The Rev. C. W. Frost, pastor, was assisted by Rev. Freisen and VA Chaplain Albert Fellers.

Wednesday evening there will be a Christmas party by auxiliary of World War I of Medford.

Camp White Legionaires are hosts at a formal initiation of Medford American Legion post in the theater here Tuesday. Refreshments will be provided by the Camp White group as a gesture of appreciation for previous programs by the post.
