U.S. Savings Bonds! Give a Bond for Christmas!

In this great State of Oregon, with its brilliant future, folks today seem to give more-than-average attention to making their tomorrow brighter. Our state ranks high in the number of people who regularly purchase United States Savings Bonds, on both Payroll Savings and Bond-a-Month Plans.

Likewise, when Christmas approaches and people everywhere set out to shop for family and friends, Oregonians are quick to see the many advantages of giving U. S. Savings Bonds as Christmas presents. They know how easy a Savings Bond is to give — no sizes or colors to worry about! And they know how wonderful a Savings Bond is to receive — because it becomes more valuable as time goes on.

U. S. Savings Bonds earn interest at an average of 3% per year, compounded semi-annually, when held to maturity. Furthermore, they can go on earning interest for as long as 19 years and 8 months, giving back 80% more than you put in.

This year, join your thousands of Oregon friends and neighbors who give the gift that grows with the years — a constant reminder of your thoughtfulness, and a symbol of his — or her — faith in the future.
