

Tornado Beats Roseburg 63-51; Clubs Vie Here on Friday Night

A hot scoring, tough defensive first half gave the Black Tornado the protection it needed for a frigid third quarter as the Medford high hoophmen weathered a strong Roseburg comeback to trim the Indians 63 to 51 last night at Roseburg.

Medford took advantage of a combination of its own strong defense and Roseburg coldness to manufacture margins of 13 to 7 at the quarter and 39 to 19 at the half. But the Indians, who couldn't get a field goal in the first quarter, warmed up and quickened their pace in the third stanza and outscored the faltering Black Tornado 21 to 11. Tally at the end of that period was 50 to 40.

Roseburg continued to narrow the gap in the fourth quarter and with 2½ minutes left to play in the game had cut Medford 20-point midway spread down to seven points at 56 to 49. In that last portion of the game, however, Dick Cople, Bob Tisdell and John Foust got field goals and Foust a free shot for Medford while Bill Oerding picked up only a pair of gifters for the Indians.

Copple 7 Field Goals
The Black Tornado shot 457 average from the field for the first half and was led by Copple with seven field goals. In the third quarter, however, as Roseburg perked up, Medford hit only four for 20 from the field and the game average was 37.5. For the Indians, Dick Woolstenhulme, held to no field goals by Medford's McLaughlin in the first half, managed to pop in five in the second.

Tisdell, who played a driving game all the way for Medford, collected 20 points and shared rebounding honors with Neil Plumley with eight. McLaughlin and Foust were close behind in backboarding with seven each. Copple was second high with 16 in scoring and Foust had 14. Woolstenhulme and Oerding

Syndicate Wants Detroit Tigers

Detroit — (U.P.) — Walter O. "Spike" Briggs, president of the Detroit Tigers, said today he considered a reported "offer" of more than two million dollars for his ball club as an "inquiry" and would not discuss it until after the first of the year.

Briggs confirmed Tuesday night a report that a six-man eastern syndicate was "interested in the Detroit baseball team, a member of the American league. But he said he considered a letter received from the syndicate an inquiry and not an offer.

The syndicate, headed by New York insurance executive Cy Block reportedly offered more than two million dollars for the team. The "offer" first was revealed by the Long Island Press.
