

Coast Loop Adopts Slate Of 170 Tilts

San Francisco—(U.P.)—The Pacific Coast League has formally adopted a 170-game schedule for the 1956 season, opening April 10 and closing Sept. 16.

The opening is five days later than the 1955 campaign and about 10 days later than the league opened in previous years when it had a 180-game schedule.

Most of the schedule calls for full-week series, but there are some split-week engagements, too, President Leslie O'Connor announced.

The first two series are as follows: April 10-15—Vancouver at San Francisco, Seattle at San Diego, Los Angeles at Sacramento and Portland at Hollywood.

April 17-22—San Diego at Los Angeles, San Francisco at Seattle, Sacramento at Portland and Hollywood at Vancouver.

Buckeye Has Scoring Lead

New York—(U.P.)—Sharp-shooting Robin Freeman scored 79 points against two of Ohio State's opponents during the past week to move 25 points ahead of defending champion Darrell Floyd of Furman today in major-college basketball's individual scoring race.

Freeman canned 40 points against Oklahoma and 39 against St. Louis to up his season total to 186 points in five games for a 37.2 average according to statistics released today by the National Collegiate Athletic Association.

Floyd scored 54 points during the same period against Wofford and the Citadel. The Furman star has 157 points in five games for a 31.4 average.

Swartz Averages Dan Swartz of Morehead State has an even 30 point per game average and is the only other player to reach or top that mark this week.

Joe Petcovich of George Washington has replaced Angelo Lombardo of Manhattan as the field goal accuracy leader with a .690 average which represents only 13 misses in 42 tries.

Vic Molodet of North Carolina State easily is the best free throw marksman. He has missed only four of 54 attempts for a .926 average.

Morehead State is the team offense leader with a 99.5 per game output.

Allingham Elected Head of Local Group

George Allingham was elected worshipful master of the Medford Lodge 103 AF and AM at a recent meeting.

Others elected were Carl Oestreich, senior warden; Keith Bates, junior warden; Vernon A. Turklin, treasurer; Frank E. English, secretary; Ross Gilkison, senior deacon; John H. Eddy, junior deacon; Vernon A. Thompson, senior steward; Erwin C. Spence, junior steward; Lowell Chamberlain, marshal; John C. Smith, chaplain; and John Gribble, tyler.

THIEVES FOLLOW SEASON

Chicago—(U.P.)—Thieves apparently robbed the Venetian Lido Co., a store which sells religious articles, according to the season.

Mrs. Norma Amadei said medals and other appropriate religious supplies were stolen during Lent, Sunday, 10 to 15 sets of Nativity statues were stolen.

Oregon State Nips 'Cats; Michigan Bounces Oregon

Eugene—(U.P.)—Big Ron Kramer, Michigan's all-American football end, scored 30 points last night to lead the Wolverines to an 81-71 basketball win over Oregon after Oregon State had edged Northwestern 63-61 in the opener.

The Oregon teams came out on top, 3-1, against the two Big 10 squads in the two night series.

Oregon jumped into a five-point lead in the first five minutes against Michigan but Kramer and Tommy Jorgensen teamed up to put Michigan into the lead and the midwesterners were ahead 43-37 at half.

Oregon managed to tie it at 55-all in the second half but Kramer, who hit 14 out of 20 field goal attempts, led a Michigan sprint that put the Wolverines ahead to stay.

Anderson Gets 24 Max Anderson led Oregon with 24 points while Phil McHugh, another football end, had 14. Jorgensen hit 22 for Michigan. Michigan hit 358 to 278 for Oregon.

Oregon State went into a second-half slump but managed to salvage its win over Northwestern. Dick Mast hit a short jump shot with 58 seconds to play to bring the Wildcats within two points. Sub forward Fred Duhart stole the ball as OSC tried to hold on but the final horn sounded before he could get a shot away.

Oregon State led 36-27 at half.

Mast poured in 32 points for Northwestern, while OSC's prize sophomores, Dave Gambee and Ken Nanson, again paced the Beavers. Gambee hit 19 points and Nanson 15.

Oregon State hit .333 to .305 for Northwestern.

Mississippi Rebels Ready For Rebellion at Dallas

(This is another in a series on the teams in the football bowl games.)

By RUSS DALEY
Oxford, Miss.—(U.P.)—The Rebels are ready for a rebellion. Tired of being beaten in football bowl games and of developing a reputation that they can't win the big ones, the boys from Mississippi are out for a bit of revenge on Jan. 2 in the Cotton Bowl against Texas Christian.

It isn't that they have anything particularly against TCU. It is simply that they would like to get around to winning one of these holiday clambakes instead of being beaten regularly.

In 1952 Mississippi had its first unbeaten team in history but took a 24-7 pounding from Georgia Tech in the Sugar Bowl. Last year Ole Miss lost only to Arkansas during the regular season but was thumped 21-0 by Navy in the same Sugar Bowl setting. This time Mississippi goes to Dallas with a 9-1 mark, having lost only to Kentucky. And this time the boys say things will be different.

Won Only Once Actually, Mississippi has won only once in four bowl games. That could be significant, too, because the lone victory was against TCU in the 1948 Delta Bowl game. In the only other bowl appearance, Catholic university squeezed out a 20-19 triumph in the 1936 Orange Bowl.

Mississippi will be an underdog in the Cotton Bowl but that doesn't disturb Coach Johnny Vaught. In fact he prefers it that way because it "will make us all the more determined to win."

Vaught is planning to use a lot of passing in an effort to stay

in front of TCU and its great breakaway runners, featuring Jim Swink. Both Mississippi quarterbacks, Eagle Day and Johnny Balack are accurate heavers.

Field Goal Punch Ole Miss, which hadn't scored a field goal in almost a quarter of a century, came up with a scoring punch in that department this year as fullback Paige Cothren set a Southeastern Conference record by booting six of the three-pointers. If it is a close and tense struggle Cothren's foot might mean the difference between winning and losing.

Cothren, a fine runner who led the conference in scoring with a total of 74 points, sparks the attack which also features speedy halfbacks Earl Blair and Billy Kinard.

Aside from the fact that "you have to pass to win in this business" Vaught isn't saying much about what kind of a game he expects to unfold against TCU. But in his long coaching career he has used the single wing, the double wing, the plain T, the split-T, the winged-T, the old Notre Dame box and even a spread formation. And he has used plays out of every one of them this past season. So TCU can expect almost anything.

One Hepatitis Case Reported In County

One case of hepatitis and one of tuberculosis were reported to the Jackson county health department during the week ending Dec. 17, Dr. A. Erin Merkel, county health officer has reported.

Other cases of communicable diseases reported last week include two of strep throat, one chicken pox, seven influenza, three pneumonia, one mumps, three measles, one scarlet fever and one rheumatic fever.

EVERGREEN LEAGUE

Top spots of the Evergreen bowling league remained the same but the Oasis Ballroom moved up three steps with a 4-0 series over Chuck's Pump series. Oasis had an 877 game for high. Moore Steel moved up a spot with a 4-0 series over Jackson Creek Lumber. Ray Wise rolled a 654 scratch series to aid the Steelmen, with 207, 213, 234 games.

The Big Y evened with the Eastside market, taking its second meeting by 3-1, and Domes-
