Christmas Gift

TO HUMANITY . . .

At This Christmastide, You Are Called Upon To Give That Others May Live . . . Make a Sacrificial Gift. Be a Good Samaritan To Your Neighbor, To Your Family, and Some Day To Yourself.

CHRISTIANITY at WORK

"We endorse the Rogue Valley Memorial Hospital building program and urge all church members, in a position to do so, to cooperate in the movement to build this memorial hospital.

"The care of the sick and injured is one of the basic teachings of Christ. The parable of the Good Samaritan clearly shows the obligation of each citizen to aid in protecting the lives and health of his neighbors by affording adequate hospital protection.

"The Rogue Valley Memorial Hospital will be an asset to the people of Jackson County and the surrounding territory as well as to the stranger in our midst. Its service to the sick and injured will be another demonstration of Christianity at work. It is worthy of any sacrifice and service that we may make to fulfill this great community need."
