and bigger side and rear windows—plus new concealed Safety Steps. And under the hood you can have the shortest stroke V8* of any leading truck—or, if you prefer, the last word in sixes.

Then, you get a 12-volt electrical system for faster starting . . . Ball-Gear steering for greater handling ease.

Be sure you get a modern truck—we've got just the one for your job!

*V8 is standard in L.C.F. models, optional in most other models at extra cost.
