# Infield Red Sox Problem; Slugger Outfielder Sought

(This is another of a series of interviews by United Press staffers with the major league managers on their prospects for 1956).

Dallas, Tex. — (U.P.) — A Texas drouth that is drying up his favorite fishing holes concerns American League Manager of the Year Mike Higgins more than his Boston Red Sox right now.

The chunky, black-haired Higgins doesn't seem to have a single qualm about his sophomore year at the helm of the Red Sox, who stayed in the thick of the fight until late in the season last year before fading and finishing fourth.

He doesn't say that the Red Sox are going to win the pennant, but he is confident that the trade that brought Mickey Vernon, Bob Porterfield and Johnny Schemitz from Washington will cure some of the ills that beset the club a year ago.

"I'd like to have a good right-handed, power-hitting outfielder," he said, "and we may come up with one, but I don't have any idea who he might be or where he might come from. We don't have any deals on the fire right now."

Otherwise, Higgins says his biggest problem is the infield. Yet he quickly pointed to the fine jobs turned in by Norm Zaucha in first, Billy Goodman at second, Billy Klaus at short and Grady Hatton at third.

"Goodman, who'd never played there before, and Klaus gave us a credible keystone combination and I don't plan to break it up for a trade or to insert a younger player," Higgins said. "Billy also is too valuable at getting on base ahead of Ted Williams to be thinking about leaving him out of our plans."

## Pacific Junior Varsity Defeats Oregon Fresh

Eugene — (U.P.) — Tom Bourgeois scored 25 points as the Pacific Junior Varsity basketball team upset the Oregon Fresh 58-52 here last night. Bud Kendrick hit 22 points for the Ducks.

## ROUND ROBIN SET

New York — (U.P.) — The Palm Beach Round Robin golf tournament for a selected field of 16 professionals will be held next June at the Wykagyl Country Club in New Rochelle, N. Y. The tournament starts on June 6 and will run to June 10.

## YMCA To Play Cabbies As Trotter-David Preliminary

The YMCA team of the Medford Independent basketball league will play Yellow Cab of Medford on Thursday, Jan. 26, it was announced today. The game, to be played at Crater high gym at Central Point, will be a preliminary to the Harlem Globetrotters-House of David tilt and will start at 7 p.m., the announcement said.

The "Y" quintet, in second place in MIBL standings, expressed a desire to take on the strong Cabbie outfit. In asking for the game, Don Mintz of the "Y" team pointed out that Prospect defeated the Cabbies by a 75 to 64 score late in December while Prospect squeezed by the "Y" club with a 67 to 65 score earlier this week.

A five-act variety show, traveling with the Globe-Trotters, will make a well-rounded evening of entertainment for the whole family, sponsors pointed out. Making up the show will be the fabulous Farias Duo from Cuba, a hand-balancing act; Gene Cuzio, a 19-year-old accordionist from Chicago; and the

## Warriors Take 3 1/2 Game Edge

It was only a year ago that the Philadelphia Warriors were plunging toward last place in the Eastern Division of the National Basketball Association but today they're opening up an imposing first-place lead on the field.

The Fort Wayne Pistons beat the Boston Celtics, 105-89, and the Minneapolis Lakers downed the Syracuse Nationals, 90-79, in a doubleheader played at Fort Wayne.

Miami Beach, Fla. — (U.P.) — Herman Barron, a veteran White Plains, N. Y., professional who hasn't played the tourney circuit for five years, made a triumphant return today with a \$1,200 victory in the \$7,500 McNaughton Golf Tournament. Ignoring a cold, 25-mile-an-hour wind, Barron shot a five-under-par 67 Tuesday to score a two-stroke triumph over Pete Cooper of Tampa, Fla.

## Bob Satterfield Battles Holman

Chicago — (U.P.) — A "new" Johnny Holman gets his third chance to beat Bob Satterfield in the Chicago Stadium TV fight tonight, but Satterfield was a 2 1/2 to 1 choice to score his third straight win over his hometown opponent.

Satterfield won both previous meetings with his fellow southsider by knockouts, scoring in the 10th round in their first session and in the first round of their next encounter.

Tonight, although he'll be punching at a made-over Holman, his target will be heavy-weight champion Rocky Marciano or light heavyweight champion Archie Moore.

# Dons Score 38th Hoop Win in Row

## By JOHN GRIFFIN

San Francisco's national champions now own the second longest winning streak in major-college history—38 games—and can tie the all-time record by beating Fresno State on Friday.

A 74-56 rout of Santa Clara Tuesday night, so easy that San Francisco led by 26-2 after the first eight minutes of play, moved the Dons within one game of the major-college mark of 39 straight victories set by the 1935-36 Long Island U. team and tied by the 1940-41 Seton Hall squad.

The champions are prohibitive choices to tie the record by crushing Fresno State and then they'll be heavy favorites to beat California on Jan. 28 for a new record.

San Francisco's easy triumph keyed a night of success for teams high in the national rankings. Four others came through with expected triumphs.

Southern Methodist, ranked No. 7, continued to set the pace in the Southwest Conference as its racehorse attack downed Texas A&M, 97-68. The Aggies held the Mustangs close for a while with a zone defense, but Larry Showalter's 24 points led SMU, which scored 57 points in the second half.

Duke, No. 8, and North Carolina, No. 10, both scored important victories in the Atlantic Coast Conference, as they

# Kovalak Speaks at Jehovah Assembly

Nicholas Kovalak Jr. told the Jehovah's Witnesses circuit assembly in Klamath Falls last week that fears of this generation are unparalleled in man's history and declared "Satan the Devil" was the main cause.

Some 85 members of the Medford congregation who attended reported that Kovalak pointed out that today's fears are the "sign of the last days of Satan's rule." Kovalak encouraged more study of the Bible.

During the assembly some 22 new Witnesses were baptized in the Klamath Union High school pool.

A new ministry school was started at the assembly. The school will be conducted weekly in 160,000 congregations throughout the world, and the basic text is the book "Qualified to be Ministers."

Washington — (U.P.) — Victor H. Stuckenschneider, a right-handed pitcher who recorded a 21-3 won-lost record in the Army, has been signed by the Washington Senators for their Chattanooga farm club in the Southern Association.

pressed Maryland for the loop lead. Duke downed South Carolina, 63-52 and North Carolina routed Virginia, 101-65. Holy Cross, No. 11, had a 105-61 romp over Rhode Island.

# Teen-Agers Frown On Social Drinking

University Park, Pa. — (U.P.) — Pennsylvania's farm teen-agers frown on social drinking and advocate regular church attendance.

A survey conducted by rural sociologists at the Pennsylvania State university also showed the youngsters approve of dancing, smoking and loafing.

A poll of some 2,800 boys and girls, sophomores in rural Pennsylvania high schools, showed more than three quarters of the group disapproved of drinking alcoholic beverages.

Some 60 per cent felt going to church was necessary "in order to be good community leader," but slightly more than half could see nothing wrong with working on the Sabbath.

Card playing was okayed by 45 per cent of the youngsters, and 55 per cent gave their approval to "loafing up town." Smoking was approved by 54

per cent. Dancing won the support of 87 per cent.

A majority of the high school sophomores approved divorce in cases where the couple could no longer remain happily married.

Makeup for girls won the approval of 63 per cent of the group. But, surprisingly, only 56 per cent of the teen-agers thought students should be allowed to spend their own money as they see fit.

## COLLEGE CARS

Hanover, N. H. — (U.P.) — This town (pop. 6,259) has a critical parking problem. There are only about 750 automobiles registered by townspeople, but Dartmouth college students own about the same number. One out of four students has a car on campus.
