High School News Notes

By **NELLIE RAWLINGS**
The girls got their "chance of a leap-year" as they had an opportunity to turn-about and ask the boys to the Desert Hop, which was held Saturday night in the boys' gym. This dance was sponsored by the Spanish club and was conducted in a real Mexican style and combined also with that "Sadie Hawkins" touch.

Friday was autograph day, as students bought autograph tags and had signatures put on them. The proceeds from the sale of these tags went to the March of Dimes.

The sophomores made their contribution to the March of Dimes by selling guesses as to the number of beans in a gallon jar. Guesses were ten cents apiece and the winner will receive a three-speed phonograph from Swem's Record Shop.

A few band members are liable to be shocked when they see some outlandish pictures of themselves in the annual. The Crater staff recently asked for some band pictures that were taken on the San Francisco trip to be brought into the office for use in the Crater, showing a "typical band trip."

All senior boys were invited to attend a movie Monday on "Retail Automobile Business." Mr. Skinner, from Skinner's Garage, was the guest speaker.

In order to give the teachers an opportunity to grade semester tests, school will be dismissed at 2:50 p.m. all next week, except Friday. There will be no classes at all Friday, but students will pick up their report cards in the afternoon. "Aunt Jimema" made an appearance Thursday at an F.H.A. meeting. She sang several songs and then told the girls about the

Pancake Jamboree that was held at the YMCA Jan. 21. The choir has received its scores for the operetta, and plans are being made to get the practices under way as soon as possible. Try-outs for the various parts will be Monday, and interested students will try their luck for the different characters in the operetta.
