Efforts Continue in Westinghouse Strike

Pittsburgh—(U.P.)—Marathon efforts to settle a 99-day nationwide strike against Westinghouse Electric Corp. continued here today. Secrecy surrounded the negotiations but it was learned that top negotiators met in a side caucus to discuss the current bargaining. Reports said the meeting between Westinghouse Vice-President R. D. Blasler and James B. Carey, president of the International Union of Electrical Workers, was conducted by Federal Mediator John R. Murray. Murray declined to comment on the report of the momentary break in full-scale negotiations. Murray said he called a meeting Sunday in order to "clear up some things that have been logged." He also killed rumors of an impending settlement with a terse comment that there have been no major developments towards a settlement.

Car Hit by Train Continues on Way

Salem—(U.P.)—Engineer W. C. Kirk of Portland said today his train was doing about 80 miles per hour when it hit a car at a crossing here Saturday night. But when he managed to stop the train a half-mile down the tracks Kirk said the car had vanished. Police and train crew members searched a half mile in each direction from the crossing. They found collision marks on the locomotive and the car behind it and two pieces of chrome trim. Three hours later, police found out that a car driven by Dr. Alva A. Boston, Salem, had been struck by the train at the crossing, but had continued on its way—minus a bumper and headlight. The doctor said he and his wife and Mr. and Mrs. Ernest Stearns were struck a glancing blow by the train, but continued on unhurt when they thought the train was not going to stop.

Alexander Korda Dies of Heart Attack

London—(U.P.)—Sir Alexander Korda, British film magnate, died of a heart attack today. Korda, 62, was born in Turkeve, Hungary. He was the former husband of movie actress Merle Oberon. Their marriage was dissolved and he married Alexandra Irene Boycun in 1953. His first wife was Marie Farkas whom he married in 1919. Korda was chairman of London Film Production, Ltd., and Alexander Korda Film Productions. He founded the first company in 1932 in London and the second seven years later. He was knighted in 1942. Korda, after an early career as a newspaperman in Budapest, became a movie producer in Budapest, Vienna, Berlin, Hollywood and Paris.

Roseburg Polio Vaccine Supply Temporarily Gone

Roseburg—(U.P.)—Dr. V. J. Anderson, polio foundation chairman of Douglas county, said today that county stocks of Salk anti-polio vaccine were temporarily gone. Dr. Anderson said that since the inoculation program started, druggists had distributed 1600 shots of the vaccine. More shipments were expected soon, he said.

Report Shows 7 Per Cent City Tax Hike

Eugene—A report from the bureau of municipal research and service at the University of Oregon shows that the total of property tax levies within incorporated cities for the current fiscal year is seven per cent higher than last year. The total of \$80,574,686 is the combined property tax levies of counties, school districts and cities on property located within the limits of incorporated cities. Of this total, \$22,902,744, or 28.4 per cent, is levied by the cities for city purposes. The report points out that the property tax continues to be the backbone of local government revenue structure in Oregon and produced more revenue than any other state or local tax. Total of assessed value of taxable property within cities this year is \$1,110,148,194, which is a 4.8 per cent increase over last year. This figure is 54.9 per cent of the \$2,020,796,537 state total. Property tax levies within cities comprise 56.4 per cent of the state total of \$142,911,845.

Portland Students Escape Car Upset

Portland—(U.P.)—Four Portland high school students waded unhurt from their partly submerged car early yesterday after it had torn out a bridge railing and plunged 15 feet into Johnson creek. Sheriff's officers said the car landed upright and the students were able to escape through waist-deep water. Shortly afterwards, the car was swept 75 feet downstream by strong currents. Sixteen-year-old Quinton D. Million, the driver, told officers he and his companions formed a "chain of hands" to wade to safety. The passengers were identified as Gale Wards, 15, Bob Patterson, 16, and Judy Lundquist, 15.
