Mrs. Watson, a teacher of third grade, gave a demonstration of how a reading lesson is taught. Mrs. Precia Medley's sixth grade class demonstrated how reading is used to learn.

Robert Bacuss introduced Mrs. Eleanor Jones, who has returned to Jackson school. She will teach sixth grade and replaces Mrs. White retired recently. Mr. Bacuss announced that toys are needed for the nursery. Refreshments were served in the cafeteria by mothers of the fourth grade students, and a short business meeting was held.

Tuberculin Tests Start In County

Adult contacts of children who show positive reaction to a tuberculin test are being urged to have chest x-rays at the Sacred Heart hospital clinic, according to Dr. A. Erin Merkel, county health officer.

The clinic is open between 2 and 5 p.m. each Thursday afternoon through the cooperation of local hospitals and the Jackson County Health Association.

A tuberculin testing program is now being conducted in county schools to reveal infections of tubercular germs. Children in Applegate and Ruch school have been given tests. Tests are scheduled at Prospect Jan. 25, and at Central Point, Jan. 30 and Feb. 1, according to health department officials.

Dr. Merkel pointed out that children do not become infected unless an adult with whom they come in contact is also infected. Infections are possible without the knowledge of either an adult or child, he said.

"Once the child becomes infected," he said, "the body will

harbor the germ the rest of the child's life, perhaps breaking into active disease later." The tuberculin testing program calls for one-third of the county's children to be tested each year.

"Andy says I'm an angel!"

Andy thinks it's nothing short of a miracle the way I manage to get all my housework done and still have time for the many things I really enjoy doing. The truth is, I've simply found faster, easier ways to do my work. Like wood floors. How I used to dread that chore until I found out about Bruce Cleaning Wax. Now it's almost a snap because Bruce cleans as it waxes. There's no floor washing at all. And, honestly, my floors haven't looked so nice in years. If you have wood floors, you really ought to try Bruce Cleaning Wax. I know you'll like it.

Incidentally, I've found other Bruce floor products help me, too. There's Bruce Floor Cleaner for cleaning and lighter waxing, Bruce Paste Wax, Bruce Asphalt Tile Cleaner, Bruce Asphalt Tile Self-Polishing Wax and the new Bruce Self-Polishing Wax. Yes, for floors it's Bruce!

A continental design destined to win the favor of American women is this double-breasted, cotton poplin coat. The coat and matching hat are Zelan treated to shed showers and to resist non-oily spots and stains.
