Paulena Carter To Be Soloist With Philharmonic Here Sunday

Paulena Carter, California pianist who will be guest soloist for a concert of the Philharmonic Society of Southern Oregon Sunday, January 29, began her musical education at the age of three.

By the age of seven she had prepared two concert selections, the Mozart Piano Concerto and

Von Weber's "Konzertstück" which she played with municipal orchestras at Stockton, Sacramento and Santa Rose, Calif.

At the age of eight years the pianist went to New York where she won first award in the annual Olga Samaroff Stockowski scholarship, and she studied for a year with this master teacher. She won the award a second year, and was invited to enter the competition a third year, but was forced to return to California by family illness.

Shortly after this the Carters left northern California for Los Angeles where Miss Carter continued her studies and where she joined the California Junior symphony, serving as pianist and soloist with this group which was conducted by Peter Meremkul.

At the age of 13 Miss Carter entered the Young Artists' contest in Los Angeles, sponsored by Radio Station KFI, winning the first award for instrumentalists. Shortly thereafter she appeared with the Los Angeles Philharmonic orchestra, with Alfred Wallenstein conducting.

During the same year the pianist also won a composition prize and her work, entitled "Cinderella Suite" has been played by many orchestras, including the Standard Hour symphony.

Miss Carter has played under the baton of such noted conductors as Pierre Monteux, Eugene Ormandy, Bruno Walter and Alfred Wallenstein.

Sunday's concert is set for 3 p.m. at Medford Senior High school auditorium, and tickets are on sale at the Music Mart, and Purucker's Music store or may be obtained at the box office Sunday afternoon. Information concerning the concert or the ticket sale may be obtained from Mrs. Tom Popham, telephone 2-5830. Mrs. Popham is chairman of the Philharmonic guild, organized to provide support for the orchestra.
