

Hedrick Tops McLoughlin Cage Quintet

Hedrick junior high ninth graders played their best basketball game of the season yesterday to down McLoughlin 53 to 41 in an intricately sketched.

The Bulldogs of McLoughlin had the edge on the backboards but the Hornets outshot them from the field and set up a defense that limited McLoughlin's effective firing to shots from outside.

Hedrick ran up a 22 to 12 lead in the first quarter and was on top 35 to 21 at the half. Third quarter score was 44 to 33.

Don Peek of Hedrick led scoring with 18 and paced the Hornets as well with his ball handling. Bob Plankenhorn of McLoughlin was second high with 17. In addition to proving a hard man for the Hornets to check Plankenhorn did some fine work on the boards.

LINE-UPS:

Andrea Fails In Try for Gold Medal

Cortina, Italy—(U.P.)—United States athletes got off to a poor start in the 1956 Winter Olympic games today.

Defending champion Andrea Mead Lawrence finished in a fourth place tie in the women's giant slalom ski race and American bobsled teams placed far behind the Italians at the halfway point of the two-man competition. The bobsled races will be completed tomorrow.

Hockey Team Loser

America's hockey team completed a thoroughly disappointing day for the Yanks by losing to Czechoslovakia, 4-3, in the first round of the Olympic tournament. The Czechs broke a 2-2 tie in the final period to win.

Mrs. Lawrence, who won two gold medals for the United States in the 1952 Winter Olympics, failed in her bid to defend the giant slalom championship. The event was won by Ossi Reichert, 29-year-old German girl.

The first gold medal of the 1956 Winter games was won by Veikko Hakulinen, Finnish ski king, who defeated the best Russian and Swedish competition in the 30-kilometer cross-country race.

Eastern Oregon Opposes Vikings

Portland—(U.P.)—Eastern Oregon brings its perfect OCC basketball record to town tonight in the first of a two-game series with Portland State that will go a long way toward deciding the 1956 conference champion.

Portland State, the defending champ, has a 4-1 record while EOCE has won six straight in league action.

In the other OCC series, Oregon Tech's rejuvenated quintet invades Monmouth for a two-game series with Oregon college.

Lewis and Clark and Linfield meet in Portland tonight in a battle among third-place teams in the Northwest conference. College of Idaho and Pacific, the league's two top teams, are idle as are Willamette and Whitman.

Jackson Holds Grade Leadership

Jackson was the lone unmarried aggregation in city grade school basketball play after Thursday encounters.

The Jacksonians beats Lincoln 23 to 17.

In other contests Washington subdued Jefferson 31 to 17 and St. Mary's trimmed Roosevelt.

Pointe Teams Subdue Ashland

Central Point—Central Point junior high teams defeated Ashland yesterday in basketball scuffles. The eighth grade had to come from behind to nip the Ashlanders 28 to 26 and the seventh won 29 to 10.

Eighth graders trailed 23 to 26 after three quarters and held Ashland scoreless in the final canto. Ashland led 8 to 5 at the quarter and 21 to 18 at the half. Gray of Ashland was high scorer with 16 points and Glen Cote had 13 for Central Point.

The Pointers had 10 to 4, 14 to 8 and 21 to 8 period advantages. Loyal Higinbotham was top man for CP with 10 and Mitchell got eight for the Lithians.

San Francisco-California Tangle Seats Going at Scalping Prices

By HENRY RIEGER
 San Francisco—(U.P.)—University of San Francisco's chief cheerleader announced today that he was passing USF's "big game" with California tomorrow night in favor of a ski trip.

Insignificant news item? Contrariwise.

That little bit of incidental information tips the hand of the USF's fans—who are, to put it mildly, confident that the Don basketball team will conquer Cal with ease to set a new major college consecutive win mark of 40.

Game Sellout
 But while guy Joe Bondanza is giving up his seat for this

biggie, just about everyone else in the San Francisco Bay Area is fighting for a seat in Cal's 7,200 capacity gym.

The game has been a sellout for a month—ever since USF took the New York Holiday tourney in a hop, skip and a short jump. The tournament victory left little but easy marks in front of the Cal court.

Seats, if you are fortunate to find one, are going at scalping prices of \$15 per copy—10 times the face value.

USF, if it wins number 40 tomorrow, will best a major college mark of 39 now jointly held by Seton Hall and Long Island university.

Don Porter Tops Point Producers In NW Cage Loop

Portland—(U.P.)—Linfield's Don Porter, always one of the leading scorers in collegiate circles in the Northwest, holds the top spot in Northwest Conference scoring to date, according to statistics released today covering games played through January 22.

Porter tops the list with a total of 123 points, an average of 20.5 per game. Right behind the big 6-5 pivot man for Linfield is Whitman's Del Klicker, who stands 10 inches shorter but only two points less in the scoring column. Klicker has hit for 121 counters and a game average of 20.1.

Others in the top ten are: Bill Machamer, Linfield, 19.8; R. C. Owens, College of Idaho, 19.1; Charlie Jenkins, College of Idaho, 15.5; Danny French, Pacific, 15; Dave Sanford, Linfield, 14.5; Hal Adrian, Lewis and Clark, 13.6; Loren Michelsen, Lewis and Clark, 12.1; and Eddie Ramsdell, Pacific, 12.

Thunderbird Lead Taken By Demaret

Palm Springs, Calif.—(U.P.)—Jimmy Demaret, the last of the old guard still touring the hinterlands on the golf circuit, has an idea he may have discovered the fountain of youth.

The dapper Texan, playing out of Kiamesha Lake, N. Y., went into the second round of the \$15,000 Thunderbird Invitational Tournament today holding a two-stroke lead over the classiest field to tee off in one event in 1956.

And he credited it all to his putting.

Squeezed Until Hurt
 "For three or four years I've been jittery putting," he said today. "So yesterday I started squeezing the putter shaft until it hurt. It seems to work."

Demaret connected on putts of 40, 30 and 18 feet for birdies; tanked three more putts of six feet or more for the round. He came in with nines of 33-31 for a seven-under-par 64 on a rain-soaked course that was supposed to be tough.

There was a four-way tie for second place, each with five-under-par 66; PGA champion Doug Ford; world champion Julius Boros; Gene Littler, the local touring pro, and Bo Winger of Oklahoma.

COOPERATIVE

New York—(U.P.)—Coach Lou Little of Columbia, first baseman Joe Collins of the New York Yankees and catcher Roy Campanella of the Brooklyn Dodgers will be honored as the "Most Cooperative Sports Figures" at the annual dinner of the New York Press Photographers, Jan. 30.

Tennis champion Doris Hart once wore a pedometer on her leg during a doubles match. It registered four and one-half miles of ground covered at the end of the four sets.

OSC, Oregon Have Action

Corvallis—(U.P.)—Oregon State's youthful basketball team tries to send the title hopes of the Washington Huskies spinning tonight and Saturday night in a two-game PCC basketball series here. Other conference action sends Oregon to Stanford for a pair and Southern California to Idaho.

The OSC-Husky series will feature a pair of prize sophomores, Dave Gambee of the Beavers and Bruno Boin of Washington, both of whom are topping their teams in scoring.

Oregon is crippled by an injury to Jerry Ross, who leads the team in shooting percentage. Ross made the trip but is not expected to see heavy action. Ed Bingham, who has been out of action himself with an injury for some time, may team with Phil McHugh at guard.

Idaho has hopes of upsetting the strong Trojan team. The Vandals always are tough on their own court.

UCLA, the conference leader, plays Arizona State of Tempe in a non-counting game Saturday.

The Oregon-Stanford game Saturday will be regionally-televized starting at 2 p.m.

GOLF ANNUAL

Evanston, Ill.—For the first time since 1949 a golf annual has been published. Edited by Golf Digest magazine, the 1956 Annual is now on the newsstands. The 128-page book contains: Past records of major golf championships; results of all 1955 events; a run-down on the year in golf; a who's who of the top men and women pros of the year; the best instruction of 1955 by Hogan, Nelson, Revolta, Burke, Hicks and others; pictures and descriptions of the 1956 club models; listings of golf associations, books, films and much other information that will be of interest to every golfer and golf fan.

Willie Pastrano Tussles Spieser

Miami Beach, Fla.—(U.P.)—Young Willie Pastrano, second-ranked light-heavyweight contender, was favored today to outbox knockout-minded Chuck Spieser in tonight's 10-round television bout at the Miami Beach Auditorium.

Pastrano, now living in Miami Beach, said he would count mostly on speed and footwork to outpoint Spieser, former Michigan State boxing star from Detroit.

Pastrano has better experience, a devastating body attack, and an 11-pound weight advantage on his side and isn't too worried about Spieser's promise of a knockout by the middle of the fight.

The Detroit slugger plans to weigh in at 171 pounds and Pastrano at a hefty 182.

INK 'SKIN PACTS

Washington—(U.P.)—Three ends who played college football on the West Coast—Bing Bordier of Southern California, Don Eldard and Ed Dawson of San Francisco—have signed their 1956 contracts with the Washington Redskins.

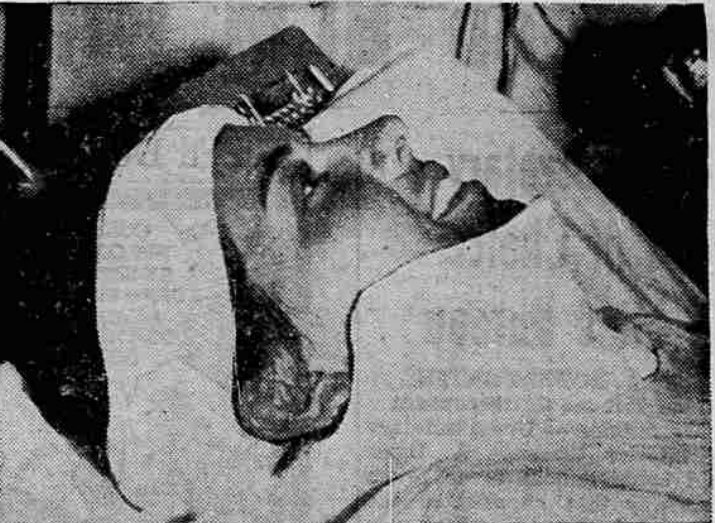

MANAGER PICKED

Albany, N. Y.—(U.P.)—Warren (Sheriff) Robinson today was named to succeed Bert Hass as manager of the Albany Senators in the Eastern Baseball League. Robinson was manager at San Jose in the California League last season.

TOP CARS ENTERED

Indianapolis, Ind.—(U.P.)—The same cars that finished 1-2 in last year's race have been entered for the 1956 500-mile classic on Memorial Day. It was announced today. Bob Sweiker won the 1955 race in a car owned by John Zink of Tulsa, Okla.

In stop-go truck jobs —

Fordomatic pays for itself!

1. No more clutch expenses
 ... with Fordomatic! There is no clutch.

2. Fordomatic ends costly repairs
 ... that can result from shock loads on the drive line with a conventional transmission. For example, shock damage to gears, to differential, to rear axle.

3. You save valuable time
 ... with Fordomatic, particularly in stop-go work. Fordomatic cuts out 16 hand-and-foot operations at every traffic stop.

4. Tire life gets a break
 ... Fordomatic feeds power so smoothly to the drive line that you can easily avoid tire-damaging wheel spin on the getaway.

5. Costly holdups in mud or snow
 are less likely, thanks to Fordomatic's ability to deliver low wheel speeds without stalling.

6. More exact shifting saves gas
 ... with Fordomatic there's no waste of gas through faulty gearshift judgment. Fordomatic shifts automatically with split-second precision.

7. At trade-in time
 ... your truck is almost certain to be worth more because it has Fordomatic. All in all, Fordomatic can pay for itself—and then some!

1. Sure, an automatic transmission is an "extra" to make your job easier. But more important — Fordomatic earns its keep and then some — by saving money for you day in, day out! Here are 7 reasons why:

2. Most power! Exclusive Lifeguard Design! Bigger payload capacity!

Ford Trucks give you more usable horsepower per dollar than any other truck line—proved by comparisons of net horsepower and suggested list prices of all makes of trucks.

Only Ford Trucks give you such safety features as the new Lifeguard steering wheel and new Lifeguard door latches. New Ford seat belts available.

Ford gives you bigger payloads throughout the line. New high-capacity tubeless tires standard on all models, at no extra cost! See your Ford Dealer.

3. Fordomatic saves time, means faster deliveries," says pastry distributor A. Sellinger. "Getaway is faster, I can
